

Learn what sets the BD Alaris™ equipment offered by Med One apart from BD Alaris™ infusion pumps being sold by equipment wholesalers.

MEDONEGROUP.COM

WHY MED ONE? BD ALARIS™ INFUSION PRODUCTS

Quality Pre-Owned Equipment

SINGLE OWNER – not rental fleet equipment or equipment purchased at auction

LEASE RETURN EQUIPMENT – equipment purchased new from BD Alaris™ and returned to us at the end of their lease

KNOWN HISTORY – when the equipment was manufactured, purchased and returned

INVENTORY LOCATED IN-HOUSE – equipment stored and maintained at our facility

LARGEST HOLDER OF PRE-OWNED EQUIPMENT – no one has a larger supply of BD Alaris™ pre-owned equipment

NATIONWIDE COVERAGE – local representation

Premier Biomedical Services

ALARIS TRAINED & CERTIFIED BIOMED DEPARTMENT – trained by the manufacturer, BD Alaris™

LOCATED IN-HOUSE – not outsourced to another company

PREVENTATIVE MAINTENANCE – equipment is shipped with a PM certificate guaranteeing operation, safety and quality

PATIENT-READY EQUIPMENT – equipment is provided cleaned, tested, and shipped patient-ready with a PM certificate

SOFTWARE OPTIONS – equipment is loaded with the latest software version or with previous versions upon request

ONE YEAR WARRANTY – included with the purchase of equipment

EXTENDED WARRANTY AND SERVICE CONTRACTS – available on equipment purchased or your existing equipment

SERVICE & REPAIRS – we use OEM parts and work is performed by trained/certified staff

Creative Acquisition Options

OUTRIGHT PURCHASE / PEAK-NEED RENTAL / EQUITY RENTAL / LEASE-TO-OWN

MED ONE IS AN **AUTHORIZED RENTAL PARTNER** AND **DISTRIBUTOR** FOR THE BD ALARIS™ SYSTEM
