

Supplementary Statement on Human Rights, the Environment and Due Diligence Obligations (HREDD)

This statement supplements the applicable Code of Conduct of the Melitta Group as well as the Supplier Code of Conduct of the Melitta Group.

Melitta Single Portions GmbH & Co. KG is committed to respecting internationally recognized human rights and to taking environmental protection into account within the scope of its own business activities and existing business relationships.

In connection with the applicable Fairtrade requirements, Melitta Single Portions acknowledges the importance of human rights and environmental due diligence obligations (Human Rights and Environmental Due Diligence – HREDD).

These include in particular:

- cooperation with direct suppliers and – where appropriate – affected stakeholders in addressing human rights and environmental issues,
- sustainable purchasing practices,
- the goal of achieving living incomes and living wages in Fairtrade supply chains,
- as well as appropriate remediation where adverse impacts on human rights or the environment have been caused or contributed to.
