

CAVCD53

53 bottles

# 01 Storage wine cellar

Free standing : dual zone

Provided with a leading technology, the CAVCD53 wine cellar allows you to preserve and enjoy your wine at the ideal temperature. Its two distinct compartments offer the possibility to store bottles at different temperatures depending on the type of wine. In order to exalt all the aromas during your tasting experience, the wine requires a precise service temperature that you can adjust between 5°C and 22°C thanks to the digital display.

Its anti-vibration system and its stable temperature, allows your wine to reach maturity in the best conditions. Its tinted glass and its

LED light allow you to see your bottles while keeping them away from UV rays and direct light.

Equipped with a silent technology, this wine cellar gives you extra comfort whilst bringing a touch of elegance and refinement to your home with its sleek design.
