

CAVCED46

46 bottles

01 Storage wine cellar
Built-in : dual zone

Provided with a leading technology, CAVCED46 wine cellar allows you to preserve and enjoy your wine at the ideal temperature. This cave can store up to 46 bottles with its capacity of 137 litres. Its two distinct compartments offer the possibility to store bottles at different temperatures depending on the type of wine. In order to exalt all the aromas during your tasting experience, the wine requires a precise service temperature that you can adjust between 5°C et 22°C thanks to the digital display.

Its anti-vibration system and its stable temperature, allows your wine to reach maturity in the best

conditions. Its tinted glass and its LED light allow you to see your bottles while keeping them away from UV rays and direct light.

Equipped with a silent technology, this wine cellar gives you extra comfort whilst bringing a touch of elegance and refinement to your home with its sleek design.
