

As Part of the Protocol

PHASE 2

PHASE 3

STEP 3

Ingredients

- Carbon Technology
(Extracts of Humic and Fulvic Acid)
- Slipperly Elm Bark
- Astragalus Root
- Burdock Root
- Sheep Sorrel
- Graviola Chuchuahasi
- Turkey Rhubarb

LymphActiv

DRAINAGE & IMMUNE SUPPORT

Ayurveda and modern biochemistry come together in LymphActiv to help keep the lymphatic system moving and draining.

If lymphatic flow is sluggish, unwanted items can stagnate in the body, including in the brain. This stagnation may lead to brain fog and other cognitive challenges.

LymphActiv includes several herbs to promote fluid drainage, like burdock root and sheep sorrel. They may act as mild diuretics to help relieve temporary fluid buildup.

Other herbs in the product include turkey rhubarb, slippery elm bark, astragalus root, graviola, and chuchuhuasi. The herbs are paired with BioActive Carbon (fulvic acid extracts) to help deliver the herbal constituents to where they're needed.

Key Benefits

- Promotes the lymphatic movement needed to support the normal drainage of lymph, including in the brain
- Deters stagnation of unwanted microbial factors and everyday toxins
- Supplies antioxidant-rich herbs and supports normal immune function
