

IS-BORR

IMMUNE SYSTEM SUPPORT

KEY BENEFITS

- Promotes normal immune cell activity and function for broad-spectrum support
- Encourages healthy inflammatory balance, a factor in maintaining normal comfort levels
- Provides antioxidants to help protect the body from routine oxidative stress

PRODUCT DESCRIPTION

IS-BORR is a tincture of 21 potent herbs. This synergistic blend helps nurture the immune system and support inflammatory balance.

Among the herbs in IS-BORR are ones that support the body's natural response to immune system concerns, including vector-based factors. Some of these herbs include *Artemisia annua* (sweet wormwood), black walnut hull, and Japanese knotweed root.

LABEL INFORMATION

Directions: Dilute 1 to 2 droppers (1 to 2 mL) twice daily or as directed by a healthcare practitioner.

Warning: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

KEEP OUT OF REACH OF CHILDREN.

§ This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

In addition, the tincture includes astragalus root, buckthorn bark, boneset, and other herbs that supply antioxidants. Those offer support as the immune system generates oxidative stress during its normal activity.

The herbs in IS-BORR may also encourage inflammatory balance. That helps support normal comfort levels, such as in the joints.
