## >> THE HISTORY OF THE WEST

The ancient Medicine Wheel, at an altitude of 9,462-feet, lords over the mountains with a mystical presence that defies explanation. Indian battle sites like Fort Phil Kearny, Fetterman and Wagon Box, located on the Bozeman Trail, offer endless educational opportunities. Sheridan is home to 27 attractions listed on the National Register of Historic Places, and is less than an hour by car from the Little Bighorn Battlefield National Monument.

## >> DISCOVER DOWNTOWN SHERIDAN

This is a place where cowboys convene over craft beer and coffee, where guests marvel at public art and historic Wyoming architecture, and where modern mavericks revel in Old West charm at Sheridan's bistros, cafes and wineries. Entrepreneurs, ranchers and roughnecks kick through the doors of the Mint Bar, coal-hauling trains roar through the Rail District, and Downtown Sheridan remains a beacon of life well lived in the American West.

## >> EXPLORE THE GREAT OUTDOORS

Outdoor opportunities are limitless when you're roaming the open range on horseback, backpacking uncharted Bighorn Mountain territory or fishing pristine waters. Ski some of the country's most remote backcountry, climb to unfathomable heights in the Cloud Peak Wilderness or Tongue River Canyon, and bike miles of country trails as you close in on the mountains. Sheridan is the trailhead to Wyoming's boldest outdoor experiences.

## >> FESTIVALS & EVENTS

Sheridan's calendar features events like the WYO Rodeo, Big Horn Country USA, Bighorn Mountain Trail Run, Suds N' Spurs Brewfest, Don King Days, Biketoberfest, Bike MS Wyoming, and cultural events at the Whitney Center for the Arts.
