Welcome to DeGray Lake Resort State Park

DeGray Lake Resort State Park is remote within reach. Conveniently located just one hour southwest of Little Rock and its national airport, and just six miles off I-30 on scenic Hwy 7, DeGray Lake Resort State Park is Arkansas's only island resort.

Nestled among tall pines in the foothills of the Ouachita Mountains, DeGray Lake Resort State Park presents endless opportunities for a memorable experience. DeGray Lake is a 13,800-acre expanse of crystal-clear water, and our marina provides everything you need for lakeside fun including boats, kayaks or stand up paddleboards. Play a round of golf at our scenic 18-hole championship golf course, explore a hiking trail, go on a guided lake cruise or golf course safari.

Occasionally, everyone needs a respite, and that's where our lodge comes in. Enjoy the view from the comforts of one of our 96 guest rooms, grab a bite to eat at our full-service restaurant, take a dip in our indoor hot tub or outdoor pool, and work up a sweat in our fitness center.

The lodge also has event space for 10-300 guests, as well as on-site catering. Our staff of catering and event experts are at your service to help you plan the perfect event for you and your guests. We can customize your event to meet your needs and encourage you to call for an appointment, where we can give you a tour and introduce you to DeGray Lake Resort State Park.
