NO FARMS, NO FOOD. We support our Arkansas farming and food community by using Arkansas-grown produce as it is seasonally available.

HOW WE GET DRESSED. All salads are lightly dressed and served with an additional side of dressing (because dipping fries in dressing is not only delicious, it's recommended).

NICE BUNS

Our signature buns are a delicous balance of the decadent flavor and visual appeal of a Brioche bun with the fluffy, airiness of a Challah bun. After many months of trial, error, and bread devouring, our rich, yet light and fluffy, Big Orange bun was born.

ARKANSAS OWNED ARKANSAS OPERATED ARKANSAS INSPIRED

Big Orange was born in Little Rock in 2011. We are so proud to call Arkansas home and are thankful for our partnerships with local farmers, and artisan makers which allows us to create superior tasting burgers, salads, desserts, and beverages while building community in our home state. Thank you for choosing to dine locally!

*Our friendly neighborhood health inspector wants you to know that consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness. If you have a food allergy, please notify your server when ordering. **Mind the pits! Although we use pitted olives, olive pits and olive pit fragments may be encountered in items containing olives. Thank you.
