

Secondary Education Licensure

Milligan University

Business Administration

This document is designed as a guide for students planning their course selection and is only a suggested schedule. Actual course selections should be made with the advice and consent of the academic advisor. While accurately portraying the information contained in the Catalog, this form is not considered a legal substitute for that document. Students should become familiar with the Catalog in effect at the time in which they enter Milligan.

² Psychology and Sociology licensure is for Grades 9-12 only

NOTE: The above includes all college requirements for graduation and completion of a licensure program leading to Secondary Education licensure (Grades 7-12, Bachelor of Science). The courses in the academic major are shown as electives. The total number of credit hours varies lightly among majors. See the Office Manager in the Center for Assistance to Students in Education (CASE) for details of each available academic major. The sequence of courses has limited flexibility and must be planned collaboratively by the teacher candidate and his/her academic advisors in the major and in Education.
