WHAT YOU'LL BE DOING IN THE PROGRAM

1. TRAINING & UPSKILLING

This pillar is all about you and your development as a leader. We'll design QLABs that provide you with the opportunity to understand and find confidence with your own leadership style, to build on the skills you have, and learn more about leadership in the LGBTQIA+ sector.

We'll explore things like:

- How can I make spaces more inclusive, and why is that important?
- What does safe and effective LGBTQIA+ advocacy look like?
- How do I safely share my experience as a queer person? *(at work, at home, wherever!)*

These QLABs will be guided by Minus18 staff and feature special guests from the LGBTQIA+ community who are leaders within their field.

2. CREATION & IMPLEMENTATION

This is where you'll get to be part of the team that delivers Minus18's life-affirming in-person and digital youth events. You'll work with the Minus18 Event Coordinator to provide on-the-ground support at events, and implement those leadership skills that you'll be working on within the program!

Events include:

- Melbourne Queer Formal
- Midsumma Youth Dance Party
- Queer Crafternoon & Pride March
- Other digital event offerings

3. SOCIALISING & CONNECTING

This is your chance to connect with the community. While there will be plenty of time to upskill and learn from expert guests, we will also provide you with the opportunity to connect with others in the Young Leaders program through interactive and fun social QLABs. We'll mainly be based at the Victorian Pride Centre, so there'll be lots of chances to connect with LGBTQIA+ services located there too!

+ EXTRA OPPORTUNITIES

You'll have a front row seat to any extra paid opportunities from other orgs & friends of Minus18.
