

PARENT/GUARDIAN CONSENT FORM

*This form is not compulsory for 40 Hour Famine participants
- please use if necessary for children under 18 years of age.*

STANDING UNITED WITH THE
CHILDREN OF SOUTH SUDAN

WORLD VISION AND THE 40 HOUR FAMINE IN NEW ZEALAND

The 40 Hour Famine is New Zealand's largest youth fundraiser, running annually for more than 40 years. Every year nearly 100,000 participants across the country give something up for 40 hours and raise money to support children in developing countries. This year the 40 Hour Famine will be taking place on **8-10 June 2018**. It's a great activity for the entire family, friends and clubs to get involved in! Choose from 20 to 40 hour challenges and be as creative as you like. If the no-food challenge isn't for you, try giving up technology, talking or furniture!

More information is available at famine.org.nz/resources if you would like to learn more.

40 HOUR FAMINE 2018 STANDING UNITED WITH THE CHILDREN OF SOUTH SUDAN

This year is about a generation of young New Zealanders standing united with the children of South Sudan. Thousands of young Kiwis across the country will be banding together and fundraising for the thousands of South Sudanese children who have fled for their lives across the border to Uganda. The money raised will be used to fund World Vision's work to bring essentials like food and clean water, as well as shelter, education and hope for a better future.

THE 40 HOUR FAMINE IS A GREAT TEACHING TOOL

World Vision regularly visits schools around the country providing education sessions and NCEA-accredited resources for teachers. Written for the NZ curriculum, the resources give teachers an opportunity to inspire their students to be active global citizens. They help them think about things like international rights, the impact of natural disasters, and the importance of clean water.

The 40 Hour Famine campaign:

Encourages self-awareness

Promotes self-reflection and gratitude amongst participants

Develops critical thinking

Encourages the ability to engage in reflective and independent thinking about complex issues and topics

Builds self-confidence

Empowers children to do something they never thought they could, giving something up or challenging themselves to do something new

Develops leadership skills

Provides the opportunity to step in to leadership roles, working collaboratively with others on a common cause

Creates connections

Builds a sense of community with their school and other participants as well as with the family and friends that sponsor them
