

MÖDERE® FACT SHEET

MODERE AXIS™ PHYTOGREENS

Health & Wellness | Targeted Health

Product Overview

Modere Axis™ PhytoGreens helps optimise antioxidant intake and support alkaline diets, digestion and a balanced microbiome. More than a superfood, it delivers 27 highly bioavailable and bioactive ingredients including 10 marine and leafy greens. It also contains avocado oil to increase the bioavailability of certain phytonutrients found in green foods like spinach and kale, as well as additional digestive aids and pre- and probiotics.

Product Benefits

- Supports digestion
- Supports alkaline diets
- Avocado oil increases bioavailability
- Supports a balanced microbiome
- Supports a healthy diet

Product Details

Eating a more colourful diet is always good advice. And by supplementing your diet with plant-based Modere Axis™ Phytos, you can optimise your diet and support your overall wellness. Every ingredient in PhytoGreens and PhytoGolds is concentrated and formulated to be highly bioavailable and bioactive. This means that all 34 ingredients found in Modere Axis™ Phytos can be absorbed and actively used by the body to support antioxidant intake, anti-inflammatory diets and a balanced microbiome.

Modere Axis™ Phytos mix easily with water, juice, smoothies or other beverages. All three formulas are non-GMO, dairy-free, vegetarian and keto-friendly—each formula is 99% sugar free when used as directed.

Use PhytoGreens as part of the complete Modere Axis™ regimen together with TreBiotic and PhytoGolds to work synergistically with your gut bacteria to support your microbiome and take control of your overall wellness.

Directions/Usage

Add 1 scoop (4.5 g) to 250 mL of water, juice or a smoothie. Mix well.
