# MÕDERE. NATURAL MINERAL DRINK

Natural Mineral Drink is a naturally occurring drink containing a multitude of minerals to assist normal bodily functions and support modern lifestyles. A simple and effective way to include plant derived phytonutrients in the diet, its active ingredients are sourced from the unique Neydharting Moor in the Austrian Alps.

### > DIRECTIONS

Shake well before each use. Take 10mL in a glass of water or juice up to three times a day before meals.

## > MODERE TIP

Natural Mineral Drink supplies us with a unique source of natural dietary minerals and trace elements that is hard to get anywhere else. That's why we have our Natural Mineral Drink first thing in the morning so there's no excuses to forget!

#### **KEY INGREDIENTS**

#### \* NEYDHARTING MOOR

In Austria's Neydharting Moor, hundreds of varieties of herbs and plants wash from pristine mountain streams and combine with minerals deposited on the lake floor to create a rich natural deposit of minerals and trace elements - the source for the mineral and nutrient rich mixture in Natural Mineral Drink.

#### INGREDIENTS

Purified water, alpine moor mineral extract, preservative (potassium sorbate), acidity regulator (citric acid), stabiliser (xanthan gum)

#### FREE FROM

Free from milk, gluten, artificial colours and flavours. Suitable for vegetarians.
