MODERE CELLPROOF DOUBLE CLEANSER

Personal Care | Skin

Product Overview

Your skin collects two kinds of impurities, so why does your cleanser only target one? Modere CellProof Double Cleanser is a dual-action, oil-to-foam face wash that targets two kinds of impurities in one innovative formula. First, plant-based oils dissolve makeup, sunscreen and excess sebum. Add water and Double Cleanser transforms into a purifying micro-foam enriched with sea buckthorn and antioxidant fruit extracts to gently wash away pollutants, dirt and dead skin while visibly improving skin's tone and texture for a youthful, naturally radiant appearance.

Product Benefits

- Removes oil-based impurities like makeup, sunscreen and excess sebum
- Removes water-based impurities like pollutants, dirt and dead skin cells
- Deep cleans without stripping or drying out skin
- Supports skin's natural moisture barrier
- Visibly improves skin texture and tone
- Leaves skin looking balanced, youthful-looking and naturally radiant
- Preps skin to receive maximum benefits of BioCell Collagen® CG

Product Details

Modere CellProof Double Cleanser is the first step in a new generation of clean beauty. Carefully crafted with non-comedogenic oils suitable for all skin types and a blend of nourishing and rejuvenating botanicals, this clean label formula delivers the purifying benefits of a multi-step cleansing routine without stripping skin's moisture or compromising your skin's natural barrier. By targeting both oil- and water-based impurities, it deeply cleanses pores and prepares skin to receive the maximum benefits of BioCell Collagen® CG as you continue with the rest of your Modere CellProof skincare regimen.

Directions/Usage

Massage onto dry skin, working from the neck up using a circular motion to loosen surface oils and remove makeup, pollutants and impurities. Next, apply water with fingertips to activate your double cleanser into a foaming lather to thoroughly cleanse. Rinse and gently pat skin dry. Use twice daily, morning and evening.
