Water, apple (Malus domestica) juice concentrate, chicken sternal cartilage extract, L-Leucine, pear (Pyrus communis) puree concentrate, acidity regulator: citric acid, L-Isoleucine, ascorbic acid, flavour, L-Valine, L-Carnitine, pomegranate (Punica granatum) juice concentrate, kiwi (Actinidia deliciosa) puree, strawberry (Fragaria x ananassa) juice concentrate, red sour cherry (Prunus cerasus) juice concentrate, pineapple (Ananas comosus) juice concentrate, preservative: potassium sorbate, vegetable and fruit juice [carrot concentrate (Daucus carota), blueberry concentrate (Vaccinium myrtillus)], Rhodiola (Rhodiola rosea L.) root extract, Astragalus (Astragalus membranaceus Moench) root extract, thickener: xanthan gum, sweetener: steviol glycosides.

\*Formulated exclusively with Liquid BioCell™

### KEY INGREDIENTS:

Hydrolysed type II collagen\*  
Branched-chain amino acids  
9 phytonutrient-dense plant ingredients including  
astragalus and rhodiola extracts.

### SUPPLEMENT FACTS:

Serving Size: 1 tablespoon (15 mL)  
Daily Serving Size: 2 tablespoons (30 mL)  
Daily Servings Per Container: 15

SUPPLEMENT FACTS	Amount per daily serving (30ml)
Apple juice concentrate	4337 mg
Hydrolysed type II collagen*	1000 mg
L-Leucine	600 mg
Pear puree concentrate	552 mg
L-Isoleucine	300 mg
Vitamin C	60 mg 75%†
L-Valine	150 mg
L-Carnitine	150 mg
Pomegranate juice concentrate	79 mg
Kiwi puree	79 mg
Strawberry juice concentrate	79 mg
Red sour cherry juice concentrate	79 mg
Pineapple juice concentrate	79mg
Rhodiola root extract	24 mg
Astragalus root extract	24 mg

\*Formulated exclusively with Liquid BioCell™

Please always read the full product label prior to use.

## LIQUID BIOCELL™ SPORT

### ADDITIONAL INFORMATION:

Liquid BioCell™ Sport is NSF Certified for Sport®. This means that the formula, manufacturing process and facility have been cleared of over 270 banned substances. As with any supplement, we encourage any competitive athlete and all users to conduct your own review of the formula prior to use.

**Collagen:** Collagen is the most abundant protein found in joint cartilage and the dermis of the skin, and helps to keep your skin firm and resilient.

There are many different types of collagen found in the body, and type II is the most abundant (>90% of collagens) in the cartilage of the synovial joint.

**Rhodiola Extract:** Also known as golden root, rhodiola helps maintain normal function of the circulatory system, in this way providing cells with oxygen and nutrients. This plant is native to Europe and has a long history as an ingredient of traditional remedies. The root portion of the plant has been shown to include 140 beneficial chemical components including phenols, rosin, organic acids and flavonoids.

**Astragalus Extract:** Astragalus is one of the 50 fundamental herbs found in traditional Chinese medicine. The root is most commonly used and contains phytonutrients including isoflavones, polysaccharides and triterpenoids.

**Branched-chain amino acids (BCAAs):** Leucine, isoleucine and valine are among the 9 essential amino acids.

**9 Phytonutrient-dense plant ingredients:** Includes apple, pear, pomegranate, kiwi, strawberry, cherry, pineapple, astragalus and rhodiola

### AWARDS:

The Liquid BioCell™ ingredient has been awarded 7 US and international patents and has received multiple industry awards including:

- **Readers' Ingredient of the Year**  
Nutraingredients Award Winner, 2015
- **#1 Anti-Ageing Award Winner**  
TasteForLife Supplement Essentials, 2015
- **Finalist, Most Innovative Dietary Ingredient**  
Nutraceutical Business & Technology Award, 2012

### PATENTS:

1. USA Patent 7,091,180 B2
2. USA Patent 6,780,841 B2
3. USA Patent 6,323,319 B1
4. USA Patent 6,025,327A
5. USA Patent 8,563,045 B2
6. USA Patent 8,563,045 B2
7. CA Patent 2212649
