Please note that this special threshold cannot be cumulated with the consistency bonus attributed along the qualification period as you need a minimum of 6 months for the consistency bonus to apply.

# HOW TO EARN POINTS FOR **ESCAPE 2025**

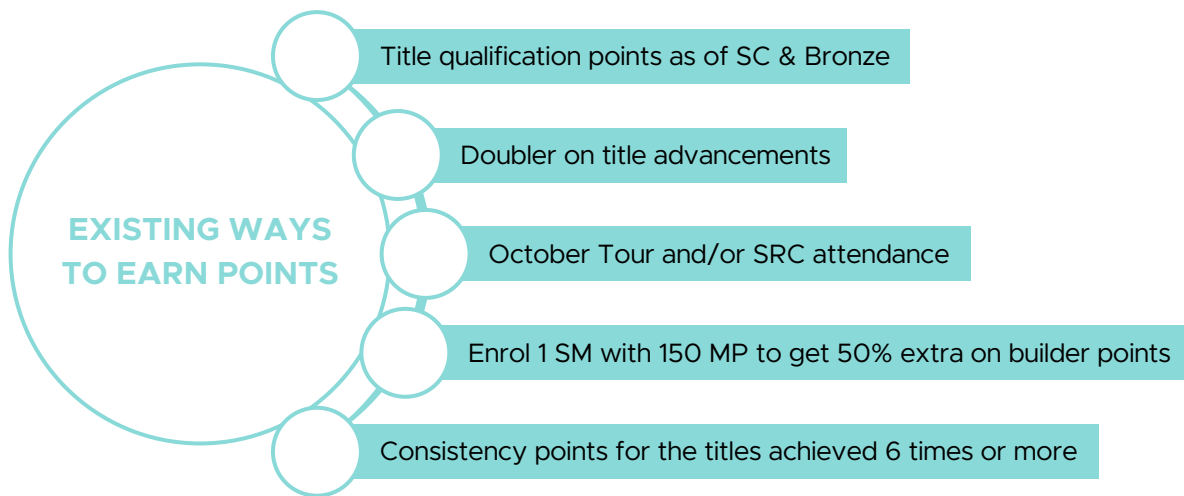

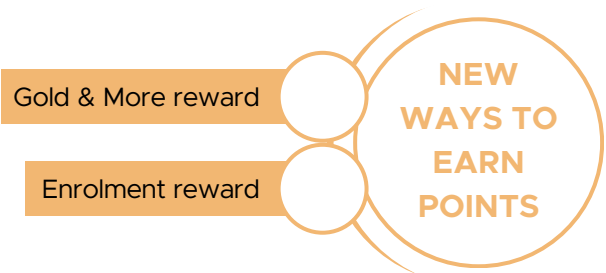

Apart from our tried and true ways to earn points, this year you have the opportunity to earn a total of 20.000 points extra with two new rewards!

## Gold & More reward

Qualify Gold or above for 7 out of the 9 month qualification period and earn 10.000 points

## Enrolment reward

Enrol a total of 18 Social Marketers or more with 150MP+ during the qualification period and earn 10.000 points

## October Tour and/or SRC attendance

Participate at our October tour 2024 and earn 2,500 extra points! Points will be awarded with the October qualification month.

Participate at our SRC 2025 and earn 5,000 extra points! Points will be awarded with the March qualification month.

Points for event attendance are limited to one SRC participation & one October tour participation per account. In total a maximum of 7 500 points can be earned.

## Consistency points for titles achieved 6 times or more

During the qualification period, we will count the Builder and Promoter title you qualified for or the Builder/Promoter title exceeded at least 6 times and award a consistency boost at the end of the qualification period. The consistency boost is then the points you would have earned in one given month at that Builder and/or Promoter title. No base Builder or Promoter title is taken into account.

## Doubler on title advancements

Each time you Builder and/or Promoter advance over your highest ever achieved builder and/or promoter title during the qualification period, you'll enjoy the points earned in that month for the builder and/or promoter title advancement doubled.

\*Points will not be stacked if you advance by more than one Promoter/Builder title in a given month. Meaning you will receive the doubler on the Promoter/Builder title you qualify for during that month.

## Title qualification points as of SC & Bronze

Social Marketers can earn Escape points for their Builder qualifications as of Senior Consultant and as of Bronze for their Promoter Title qualifications during the Escape 2025 qualification period.

## Enrol 1 SM with 150 MP to get 50% extra on builder points

By enrolling a NEW Social Marketer with a sign-up order of minimum 150 points in a given month, you can earn a 50% uplift on your points for your Builder qualification. If you don't enrol a new Social Marketer, you will be awarded the original points corresponding to your Builder qualification.
