

Modere Europe SmartShip & Save Programme: Terms and Conditions

Modere Europe SmartShip & Save Programme (“SmartShip & Save”) is part of the Modere Europe Rewards Programmes (“Modere rewards”), managed by Modere Europe BVBA, located on Telecomlaan 9 (B5), 1831 Diegem, Belgium (“Modere”).

All Modere account holders (the “Modere members”) purchasing Modere products via a SmartShip order to one of the destinations served by Modere are eligible unless stated otherwise.

This programme is specifically and uniquely available when Modere products are purchased with a SmartShip profile.

SmartShip & Save consists in incremental savings of up to 15% that can be accrued when a defined number of different products are purchased via the SmartShip programme. The savings are awarded on a monthly basis in increments of 5% up to 15%. The discount starts at 5% as follows:

- Purchase 1 to 4 different products with SmartShip and automatically save 5% on the total net amount of that order (prior to other discounts and shipping charges).
- Purchase 5 to 7 different products with SmartShip and automatically save 10% on the total net amount of that order (prior to other discounts and shipping charges).
- Purchase 8 and more different products with SmartShip and automatically save 15% on the total net amount of that order (prior to other discounts and shipping charges).

The SmartShip & Save discounted amount will be automatically applied at check-out.

Many of our products are allocated a point value. As you purchase those products you accumulate points. When you benefit from a SmartShip & Save savings, the points accumulated in the order are discounted at the same percentage as the applied SmartShip & Save percentage.

SmartShip & Save savings may be combined with Share the Love credit and/or LCCs and SmartShip Loyalty savings. In this instance, the SmartShip & Save savings will apply after all discounts have been calculated.

Refunds of items ordered via the SmartShip & Save programme will apply the same percentage as the applied SmartShip & Save percentage in the original order.

The terms and conditions relating to the Modere SmartShip & Save Programme are in addition to and do not permanently supersede or modify in any way our [General Terms and Conditions](#). Modere may revise the terms and conditions relating to the Modere SmartShip & Save Programme without prior warning.
