- Boosts vitality*
- Great-tasting natural fruit flavor
- All products formulated with our exclusive Collagen/HA Matrix® Technology counteract skin photoaging, support joint and muscle fitness and connective tissue health, restore youthful skin, and support healthy hair, nails, gums and eyes*

Product Details

Liquid BioCell Immune combines the multi-patented power of Liquid BioCell with the added benefits of our exclusive Modere TriPlex Immune Complex™ in a unique liquid delivery system for fast absorption and results. Elderberry, zinc and 13 phytonutrient-rich superfoods work together to bolster your immune system, and support respiratory and cardiovascular health. Visible signs of aging and joint discomfort can be a result of natural wear and tear of connective tissue, where both collagen and hyaluronic acid (HA) are essential. Liquid BioCell replenishes these important substances and is clinically shown to work. Liquid BioCell is so remarkable that it has been awarded 7 U.S. and international patents and multiple industry awards. It has been featured on NBC, Good Morning America and Fox News.*

Directions/Usage

Shake well before each serving. Drink 1 tablespoon twice daily for optimal results. Refrigerate after opening to maintain shelf life. Store unopened container out of direct sunlight and at room temperature.
