

MÖDERE® FACT SHEET

IMMUNE HEALTH

Health & Wellness | Protect

Product Description

Modere Immune Health provides antioxidant and circulatory support to help bolster your body's natural immune defenses.*

Product Benefits

- Assists your body's natural immune defenses*
- Maintains healthy antioxidant levels*
- Supports circulatory health*

Positioning Statement

Helping you maintain proper immune system function as the seasons change is just part of the job for Modere Immune Health. This powerful herbal antioxidant blend comes armed with the tools of the trade, including echinacea, thyme and hawthorn berry, plus a host of other beneficial herbal ingredients.*

As a natural immune system activator, echinacea helps facilitate the function of your immune system, while hawthorn berry assists the circulatory system and thyme leaf extract bolsters antioxidant capacity.*

All of the concentrated herbal extracts in Modere Immune Health are specifically designed to assist your body in its natural immune defense. You have other things to worry about. Immune Health has your back, delivering helpful herbs to support your health all year long!*

Directions/Usage

Take one capsule in the morning and one in the evening. For optimal results, discontinue use for 5 consecutive days each month.
