REPAIRING HAIR MASK

Personal Care | Restore

Product Description

Repairing Hair Mask offers a luxurious blend of natural oils, butters and extracts designed to rescue dry and damaged hair. Our restorative formula delivers intense hydration to promote a healthy shine, and it protects hair from styling damage and environmental factors.

Product Benefits

- Strengthens and protects extremely dry or damaged hair
- Provides intense hydration
- Promotes healthy shine
- Protects hair from environmental factors
- Protects hair from styling damage

Positioning Statement

Whether your hair suffers from exposure, overstyling, or just a lack of love, Modere Repairing Hair Mask can rescue even the most damaged hair. Natural fennel seed extract, fruit extracts and rich murumuru butter create a deep, healing mask that strengthens and protects hair. Conditioning agents hydrate your hair like never before, leaving it looking and feeling soft, healthy and like you just walked out of the salon.

Directions/Usage

After shampooing, apply a generous amount and work through hair. Leave on for 5 minutes and rinse. Leave on longer for deeper conditioning. For intense conditioning, work through hair, wrap with a towel for approximately 1 hour, allow hair to dry and leave in overnight. Rinse thoroughly the next morning.

Key Ingredients

- *Fennel seed extract*
- *Astrocaryum murumuru butter*
- *Hydrolyzed silk PG-propyl methylsilanediol crosspolymer*
- *Hydrolyzed rice protein*
- *Crambe abyssinica seed oil*

INGREDIENTS: Water, cetearyl alcohol, cyclopentasiloxane, crambe abyssinica seed oil, biosaccharide gum-1, hydrolyzed rice protein, behentrimonium methosulfate, amodimethicone, potato starch modified, cetrimonium chloride, betaine, polysilicone-18 cetyl phosphate, quaternium-91, caprylyl glycol, hydrolyzed silk PG-propyl methylsilanediol crosspolymer, cetrimonium methosulfate, octyldodecanol, astrocaryum murumuru seed butter, behenyl/stearyl aminopropanediol esters, polysilicone-15, panthenol, C10-18 triglycerides, lactobacillus/date fruit ferment extract, mangifera indica (mango) seed butter, butylene glycol, tetrasodium glutamate diacetate, helianthus annuus (sunflower) seed oil, saccharum officinarum (sugar cane) extract, glycerin, hydrolyzed algin, tribehenin, foeniculum vulgare (fennel) seed extract, hexylene glycol, citrus limon (lemon) fruit extract, ilex paraguariensis leaf extract, pyrus malus (apple) fruit extract, camellia sinensis leaf extract, hexapeptide-11, fragrance, phenoxyethanol, chlorophenesin.
