DAY LOTION COMBINATION SKIN

Personal Care | Protect

Product Overview

Modere Day Lotion for combination skin is a multi-tasking moisturizer that delivers visible youth-promoting benefits. Packed with skin-nourishing vitamins, botanicals and other beneficial ingredients, this light, non-greasy formula leaves skin hydrated, balanced and protected from environmental pollutants and free radicals. It isn't just your day lotion—it's your seize-the-day lotion.

Product Benefits

- Leaves skin touchably soft with a moisture matrix of botanical ingredients like avocado oil, jojoba seed oil and meadowfoam seed oil
- Walnut seed extract provides antioxidant protection against environmental pollutants
- A concentrated protein derived from olive oil gently softens skin and helps retain moisture
- Helps refine skin texture and controls oil and shine without clogging pores

Product Details

Full of skin-softening ingredients like avocado oil, jojoba seed oil and aloe vera, plus meadow foam oil to help balance combination skin, this moisturizer will protect your face against the environmental stressors you encounter on a daily basis. Day Lotion for combination skin is crafted to work synergistically with other Modere skin care products for a clean label regimen you can feel good about using.

Directions/Usage

Apply liberally to cleansed face, neck and décolletage each morning. Massage in until absorbed. Use in conjunction with your preferred Modere products as part of your daily skin care regimen.

Key Ingredients

- Avocado oil
- Jojoba oil
- Meadowfoam oil
- Walnut seed extract
