TONER COMBINATION SKIN

PRODUCT DESCRIPTION:

Modere Toner Combination Skin is formulated specifically for high-maintenance skin that tends to be oily in the T-zone, dry everywhere else. Made with a rare extract from the resurrection plant, this toner helps nourish and balance skin without feeling greasy or over-drying.

PRODUCT BENEFITS:

- Keeps skin hydrated
- Protects skin vitality by supporting its Natural Moisturizing Factor (NMF)
- Enhances skin suppleness
- Promotes the delivery of skin-enriching ingredients
- Dermatologist tested

POSITIONING STATEMENT:

A refreshing spray that promotes the delivery of moisture and enriching nutrients to the skin, this formula is ideal for skin that needs balance throughout the day. Modere Toner for Combination Skin locks in necessary moisture without feeling oily and helps skin maintain a healthy, youthful appearance.

DIRECTIONS/USAGE:

Apply twice daily. Spritz onto a cotton pad and apply to clean face, hands and other desired areas. Toner may also be misted directly onto clean skin, or used as a lightweight finishing mist over other skin care and cosmetic products.
