TONER DRY SKIN

PRODUCT DESCRIPTION:

Modere Toner Dry Skin is a rich elixir crafted for dry or stressed skin. Peptides and botanical extracts provide intense moisture, saturating and supporting even the most sensitive skin during dry seasons and extreme climate conditions.

PRODUCT BENEFITS:

- Ideal for dry skin that craves additional moisture
- An instant moisture treatment for stressed skin
- Offers intense hydration and protection
- Chinese skullcap for antioxidant and skin-soothing benefits
- Lentil seed extract to diminish the appearance of pores and refine skin
- Glides onto the skin to intensely saturate and support even the most fragile complexion

POSITIONING STATEMENT:

Quench dry skin with Modere Toner Dry Skin. This nutrient rich toner was developed specifically for dry complexions. Packed with powerful peptides that deliver abundant moisture, and fortified with botanical oils and Chinese skullcap extract, there's no better way to pamper and restore hydration to troubled skin. Used daily, it will leave skin moisturized without feeling oily, and help maintain a healthy, youthful appearance.

DIRECTIONS/USAGE:

Apply twice daily. Using a cotton pad or your fingers, apply a generous amount to clean face, hands and other desired areas. Massage into skin until thoroughly absorbed.

PERSONAL CARE | REVIVE
