TRIM COCONUT LIME

Health & Wellness | Weight Management

Product Overview

Moderne Trim Coconut Lime goes beyond weight management with a unique combination of advanced technologies to promote a sculpted, lean body.* Trim was awarded the 2018 Editor's Choice for best weight management supplement by SupplySide West. This delicious version of Trim lets you indulge in coconut lime flavor.

Product Benefits

- Supports fat metabolism*
- Inhibits cellular fat storage*
- Supports a reduction in fat cells*
- Promotes a healthy body composition*
- Improves muscle tone*
- Restores youthful-looking skin*
- Supports joint, muscle fitness and connective tissue health*
- Supports healthy hair, nails, gums and eyes*

Product Details

Trim is the only product that features an innovative, first-in-the-world combination of two leading technologies for a body transformation experience: CLA and and Collagen/HA Matrix® Technology to improve muscle tone and restore youthful-looking skin.*

Plant-derived conjugated linoleic acid, or CLA, has been clinically shown to decrease body fat when used as part of a healthy diet and exercise program. Not only does CLA support fat metabolism, it actually helps block fat transport from the bloodstream into fat cells, inhibiting fat absorption, reducing fat cell size and reducing fat cell formation. The result is a more sculpted, lean body.*

Trim also includes multi-patented, award-winning Collagen/HA Matrix Technology to promote youthful skin and flexible joints. Weight loss can cause skin to wrinkle and sag. This clinically tested technology replenishes collagen and HA, or hyaluronic acid, in a highly absorbable form to restore youthful skin. Collagen and HA are also critical to knees, elbows, wrists and the spine where they support flexible joints and fitness performance.*

Together in Trim, scientifically studied CLA and Collagen/HA Matrix Technology work potently to deliver a full body transformation experience.*

Directions/Usage

Take one tablespoon directly by mouth daily, preferably in the morning.

Key Ingredients

- CLA
- Liquid BioCell®, backed by Collagen/HA Matrix® Technology
