

MÖDERE® FAQs

LIQUID BIOCELL® IMMUNE

Health & Wellness | Collagen Sciences

How does Liquid BioCell[®] Immune compare to other Liquid BioCell products?

- Liquid BioCell Immune features the same award-winning Collagen/HA Matrix[®] Technology that's completely changing the way you age by improving joint mobility and reducing wrinkles from the inside out, and adds our exclusive Modere TriPlex Immune Complex[™] to bolster your immune system.

How much elderberry is contained in the product?

- Liquid BioCell Immune contains 95mg of highly concentrated elderberry extract, which is equivalent to 6 grams of elderberry, making it one of the most potent sources available.

What flavor is Liquid BioCell Immune?

- Liquid BioCell Immune has a delicious berry flavor with an emphasis on elderberry.

Is Liquid BioCell Immune gluten-free?

- Yes, it is.

Is Liquid BioCell Immune dairy-free?

- Yes, it is.

Is Liquid BioCell Immune sugar-free?

- No, Liquid BioCell Immune contains 2 grams of naturally occurring sugars from the fruits in the product.

How many servings are in a bottle?

- There are 30 servings in a bottle, a 15-day supply.
