## LIQUID BIOCELL® PURE

Health & Wellness | Collagen Sciences

---

### How many servings are in a bottle?

- Each bottle contains 30 servings, a 15 day supply.

### Is Liquid BioCell Pure gluten-free?

- Yes, Liquid BioCell Pure is gluten-free

### Is Liquid BioCell Pure sugar-free?

- Yes, Liquid BioCell Pure is sugar-free.

### Does freezing affect the efficacy of Liquid BioCell Pure?

- During cold winter months, the product may temporarily freeze while en route during shipping. While this may result in a slight color change and/or some separation, it should not affect the product's performance. We recommend shaking well before use to help with separation.

### What is the NPN number on the bottle?

- NPN stands for natural product number, an eight-digit code that is required to appear on labels of natural health products sold in Canada. The NPN is assigned by Health Canada, a branch of the Canadian government that also issues product licenses after determining whether a natural health product meets its standards for safety, effectiveness and quality. The NPN number for Liquid BioCell Pure is 80090338.
