BENTLEY

ZERO CLEARANCE DIRECT VENT GAS FIREPLACE

BRING THE BIG VIEW INDOORS.

With an expansive glass viewing area and clever designer options for customizing the look to suit your personal style, the **BENTLEY** is generating some serious attention.

Available in a range of sizes and styles, you can choose from our mid efficient rated fireplace for ambiance and taking the chill out of the room, or higher efficient version for additional warmth.

Customize the look with your choice of surround, brick liner, oak, birch, or driftwood log sets, ember glass in five color options, cannonballs or rocks.

With so much style and attention to detail, it's no wonder people are focused on the view indoors!

GO **BIG.**

When the view is this big, it must be the **BENTLEY 48**. This big brother of the popular Bentley is getting some serious attention and lots of second looks from home owners wanting to enjoy a statement fireplace.

An expansive glass viewing area and beautiful designer options allow you to customize the look to your own style. Take the chill out of the room with this heater-rated fireplace, and bask in some serious warmth.

Wow – we made you look, didn't we?

VENTED CHASE OPTION

The chase of the appliance may be vented to achieve Cool Touch Walls or reduced Mantel Clearances. The following options are available to vent the chase:

- The top of the chase can be left open.
- A grill can be installed on the front of the chase.
- If the chase bumps out into the room, side grills can be installed on each side of the chase.

See illustrations and manual for further information.

Minimum enclosure height for a vented chase is measured from bottom of fireplace, ventilation of minimum free air opening is required. Choose between our Enclosure Grills (Front or Sides) or Custom Grill (if custom grills are used the louvers cannot slope) or adequate ventilation opening as stated in the manual. Grill or opening must meet minimum (as specified in the installation manual) of chase top/ceiling.

NOTE: To vent the fireplace chase, removal of vent shields from the fireplace is required.

BENTLEY ST

ZERO CLEARANCE DIRECT VENT GAS FIREPLACE

TWO SIDES TO THIS STORY.

With an expansive glass viewing area and clever designer options, we thought the Bentley was pure designer perfection. Now, we've introduced the see-through **BENTLEY ST** which means you get the same view... twice!

Being able to enjoy the beauty and warmth from both sides means we've doubled the reasons to love the Bentley ST.

View the full Bentley ST brochure here.

ENCLAVE

ZERO CLEARANCE DIRECT VENT BAY PENINSULA
GAS FIREPLACE

CREATING A NEW DIMENSION.

Its wraparound view captivates from every angle. Luring you in with its three-dimensional sightlines, the **ENCLAVE** from Marquis creates a sleek and cleverly designed gathering point for the heart of your home.

Amazingly versatile, this beguiling fireplace adapts to suit any room with options for a Single Side, Corner or a Bay Peninsula. It transforms completely with your choice of fireplace liner and accessories that range from driftwood logs and contemporary rocks to cannonballs and glass.

With the ENCLAVE'S innovative vented chase technology you may now cover the fireplace with combustible materials up to the glass door opening.

WARRANTY

View the Limited Lifetime Warranty here.

LIMITED LIFETIME WARRANTY

This Limited Lifetime Warranty applies only while the unit remains at the site of the original installation and only if the unit is installed inside the continental United States, Alaska, Hawaii, and Canada. The warranty applies only if the unit is installed and operated in accordance with the printed instructions and in compliance with applicable installation and building codes and good trade practices.

BASIC ONE YEAR WARRANTY

During the first year after installation, we will provide a replacement for any component part of your unit found to be defective in materials or workmanship, including labour costs. Repair work requires prior approval by Kingsman, labour costs are based on a predetermined rate schedule and any repair work must be done through an authorized Kingsman dealer. (Excluded Components: Accent Light Bulbs, Glass, Gasketing and Paint.)

LIMITED LIFETIME WARRANTY

The heat exchanger, combustion chamber and burner of every Kingsman product excluding the Outdoor Firepit are warranted against materials or workmanship during the period the product is owned by the original owner. The part to be replaced must be returned to our distributor in exchange for the replacement part. Any labor, material, freight and/or handling charges associated with any repair or replacement pursuant to this Limited Lifetime Warranty will not be covered by this warranty.

GENERAL TERMS

In lieu of providing a replacement part, we may, at our option, provide the distributor's component purchase price from us or a credit equal to the distributor's component purchase price from us toward the purchase of any new unit which we distribute. If a credit is given in lieu of a replacement part, the rating plate from the unit being replaced must be submitted on a warranty claim, and the unit being replaced must be made available to our distributor for disposition.

In establishing the date of installation for any purpose, including determination of the starting date for the term of this Limited Lifetime Warranty, reasonable proof of the original installation date must be presented*, otherwise the effective date will be based upon the date of manufacture plus thirty (30) days. We will not be responsible for and you, the user, will pay for: (a) damages caused by accident, abuse, negligence, misuse, riot, fire, flood, or Acts of God (b) damages caused by operating the unit where there is a corrosive atmosphere containing chlorine, fluorine, or any other damaging chemicals (other than in a normal residential environment) (c) damages caused by any unauthorized alteration or repair of the unit affecting its stability or performance (d) damages caused by improper matching or application of the unit or the unit's components (e) damages caused by failing to provide proper maintenance and service to the unit (f) any expenses incurred for erecting, disconnecting or dismantling the unit (g) parts or supplies used in connection with service or maintenance (h) damage repairs, inoperation or inefficiency resulting from faulty installation or application (i) electricity or fuel costs or any increase in electricity or fuel cost whatsoever including additional or unusual use of supplemental electric heat.

We shall not be liable for any incidental, consequential, or special damages or expenses in connection with any use or failure of this unit. We have not made and do not make any representation or warranty of fitness for a particular use or purpose, and there is no implied condition of fitness for a particular use or purpose. We make no express warranties except as stated in this Limited Lifetime Warranty. No one is authorized to change this Limited Lifetime Warranty or to create for us any other obligation or liability in connections with this unit. Any implied warranties shall last for one year after the original installation. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages or do not allow limitations on how long an implied warranty or condition lasts, so the above limitations or exclusions may not apply to you. The provisions of this limited warranty are in additions to and not a modification of or subtraction from any statutory warranties and other rights and remedies provided by law.
