

PRODUCT SPECIFICATIONS

Westbury® Wraps are a non-structural aluminum stave system designed to wrap around existing, code-compliant structural posts or columns. Engineered by Digger Specialties, Inc. (DSI), Westbury Wraps enhance the appearance of support posts while maintaining the integrity of the underlying structure.

Product Details

Size (Nominal)	Actual Outside Dimension	Actual Inside Dimension	Maximum Size Round Post to Fit Inside	Maximum Size Square Post to Fit Inside	Wall Thickness
4" x 8-1/2'	4-1/8"	3-3/4"	3-3/4"	4" x 4" wood	0.07"
6" x 8-1/2'	6-1/8"	5-3/4"	5-3/4"	6" x 6" wood	0.07"
6" x 10'	6-1/8"	5-3/4"	5-3/4"	6" x 6" wood	0.07"
6" x 16'	6-1/8"	5-3/4"	5-3/4"	6" x 6" wood	0.07"
8" x 8-1/2'	8-1/8"	7-3/4"	7-3/4"	8" x 8" wood	0.07"
8" x 10'	8-1/8"	7-3/4"	7-3/4"	8" x 8" wood	0.07"

Features

- Non-Structural
- Aluminum Construction
- Wraps Existing Posts
- Interior & Exterior Use
- Lifetime Limited Warranty
- Precision-formed for clean, architectural appearance
- Compatible with optional Westbury Wrap Cap and Base Sets

Special Order: May Require Longer Lead Times

Optional Cap and Base Set

Pair coordinating Cap and Base Sets to finish the clean, architectural appearance.

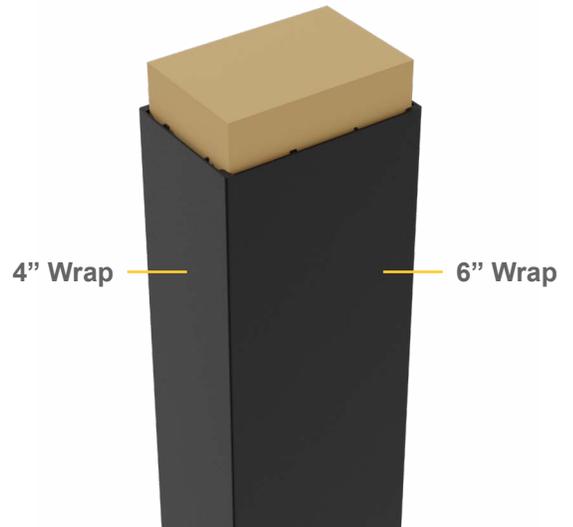

Available in 4", 6", and 8" Sizes

Custom Fit Using Standard Wrap Sizes

Westbury Wraps can be combined to accommodate non-standard post sizes by pairing different wrap sizes together.

- Wrap sizes can be mixed to match rectangular or custom post dimensions
- This method works with any available wrap size combination
- Existing post must remain structural and code-compliant
- Wraps remain non-structural in all configurations

Installation

- Install around existing structural posts or columns
- Interlocking stave design for efficient assembly
- Designed for use with optional cap and base sets
- Follow Westbury Wraps installation instructions
- Not intended to replace or modify load-bearing elements

Finishes

- Available in 12 standard Westbury AAMA 2604 colors
- Textured and non-textured options
- Color-matched to Westbury Aluminum Railing
- Custom colors and AAMA 2605 available by special order
- Actual colors may vary, consult physical samples
