- From the Activities Screen tap Inventory Out.

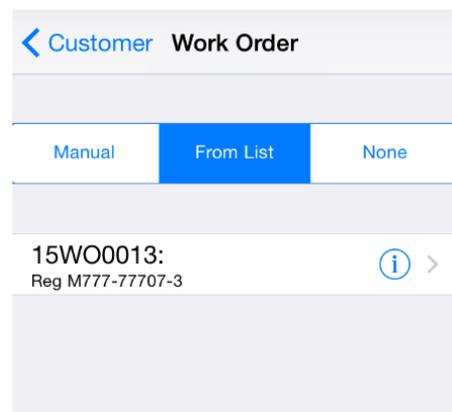

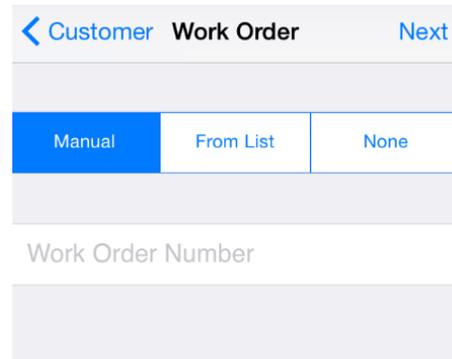

- The Work Order Screen appears.

Select a Work Order

- On the Work Order Screen tap From List.
- Tap on work order listed.

Enter Delivery Out Information

- Tap on Select Location Out Type.
- Enter the Location Out in the field at the top of the screen labeled Location Out.
- Select the Location Out Type and tap Continue.

Deliver the Inventory Items

- On the Deliver screen the following options are available for shipping out items:
 - **Tap on an Item:** A pop up confirming this is the item to be delivered will appear.
 - **Scan the inventory tag:** Use either the Socket Mobile or an Infinite Peripherals Bluetooth scanner to scan the inventory tag.
 - **Deliver All Remaining:** Deliver all items into the selected destination.
 - *******HHG Customer Work *******
Type in the last 3 digits of the Inventory Tag: This will receive each individual piece for HHG customers

The screenshot shows the 'Work Order' screen with a 'Continue' button at the top right. Below the title bar, there are two main sections: 'LOCATION OUT' and 'LOCATION OUT TYPE'. The 'LOCATION OUT' section has a label 'Location Out' and a text input field containing 'Test', with a camera icon to its right. The 'LOCATION OUT TYPE' section lists several options: '3rd Party Carrier', 'Bill of Lading', 'Customer Location' (which is selected with a blue checkmark), 'Customer Pickup', 'Disposal', and 'Miscellaneous'. Below these sections is a navigation bar with 'Back', 'Deliver', and 'Complete' buttons. Underneath the navigation bar are two toggle switches for 'Use Scanner' and 'QuickScan', both currently turned off. Below the toggles, the 'Location Out' is confirmed as 'TEST'. There is a section for 'Item Number' with the option 'Deliver All Remaining'. A section titled 'Remaining Items (3)' lists three items: '(0of1)-2005642591-Chair', '(0of1)-2005642592-Chair', and '(0of1)-2005642593-Chair', each with an information icon. At the bottom, there are two buttons: 'Recently Delivered' and 'Remaining'.

- The Deliver Item pop-up appears. Tap Yes to continue to the Out Screen.

- The Out Screen appears. Tap Continue in the upper right-hand corner to continue delivering the remaining items.

- The item delivered is now shown in the Recently Delivered tab.

Complete the delivery

- The Deliver Screen appears. When all the items have been delivered tap the Complete button in the upper right-hand corner to submit all the transactions to Windfall.
- The Work Order Screen appears.
- This completes the process for moving a shipment out of the warehouse using the Windfall Mobile Pro Application.
