

10% off Bosch and NEFF XL / XXL Fridge Freezers and Venting Hobs (after Price Match)

From 12.03.26 to 08.04.26 (inclusive), Wren kitchen customers who purchase a minimum of 5 Wren kitchen cabinets are eligible to purchase 10% off selected Bosch and NEFF XL / XXL Fridge Freezers and Venting Hobs supplied by Wren.

The 10% discount is available during the promotional period only and is applied after Wren's Price Match Promise (i.e. based on the post-price match price).

To qualify, the qualifying Bosch/NEFF product(s) must be purchased on the same order as the qualifying Wren kitchen cabinets.

Products included in this limited-time 10% discount promotion are the specific Bosch and NEFF SKUs/models listed in the promotion set-up (as per the approved product list below). Only those listed products are eligible.

Offer is limited to one promotion claim per customer (one qualifying kitchen order) during the promotional period. The discount will be applied to each eligible product purchased within that qualifying order (for example, a customer may purchase up to 2 fridge freezers and 1 venting hob and receive 10% off each eligible product).

This offer is subject to availability. Wren reserves the right to amend or withdraw the promotion if required. For full details and eligible product lists, please speak to your Wren designer.
