

SMEG Range Cooker Cashback

Please see below an explanation of the upcoming Smeg Range Cooker Promotion.

The promotion works as follows: A gas range cooker has a base cashback rate with further incentives for upgrading to an induction model or one with pyrolytic cleaning. A further £50 is claimable should any Smeg hood be added to the order. Please consult the below table to see valid models and the applicable cashback value both with and without the £50 hood bonus

Each customer can only claim one instance of this promotion.
