3. **Representations & Warranties:** Licensee represents and warrants: (i) that it has the right and power to grant the Licensed Rights and to fully perform in accordance with all of the terms thereof; (ii) that all information provided by or on behalf of Licensee during the on Site purchasing process, including the name, type, and size thereof (“Licensee Information”), is true and correct; (iii) that it has (or will have) secured, at Licensee’s own cost and expense, all additional licenses, approvals, consents, and permissions in connection with the Project as may be necessary which are not included in the Licensed Rights; (iv) that it will comply with all applicable laws, rules, and regulations in the exercise of the Licensed Rights granted hereunder; and (v) that it will not remove (nor permit the removal) of any digital rights management features or tools embedded in the Licensed Content, including audio watermarked content provided for preview and approval purposes. 4. **Cancellation & Termination:** In the event that Licensee, breaches these License Terms, the Licensed Rights will automatically terminate and will be deemed null and void from inception. If such breach is incapable of being cured (e.g., exceeding the scope of the Licensed Rights, failing to abide by the limitations set forth above, or providing materially incorrect Licensee Information), Licensor will be entitled to terminate the Licensed Rights immediately. Any termination of the Licensed Rights will render the distribution, licensing, or use of the Licensed Content by Licensee unauthorized and subject to the rights and remedies provided in law or in equity throughout the various countries in the Territory. In the event of termination of the Licensed Rights due to any breach by Licensee, Licensor will be entitled to all available legal remedies, including injunctive relief. Termination hereof (for any reason) will not release either party from any terms that expressly survive, remain to be performed, or by their nature are intended to survive such termination (e.g., the representations, warranties, and indemnity provisions herein).

5. **Limitation of Liability:** Except as otherwise set forth in this agreement, the Licensed Content and accompanying materials (if any) are provided “as is” without warranties or conditions of merchantability or fitness for a particular purpose. Licensor does not represent or warrant that the Licensed Content will meet Licensee’s requirements or that its use will be uninterrupted or error-free. The entire risk as to the quality and performance of the Licensed Content is with Licensee. Should the Licensed Content prove technically defective, Licensee’s sole remedy will be a refund of the License Fee. In no event will Licensor or its officers, managers,

members, employees, attorneys, representatives, Content Suppliers, or agents be liable for any special, incidental, indirect, punitive, exemplary, or consequential damages whatsoever (including damages for loss of profits, interruption, loss of business information, or any other pecuniary loss) in connection with any claim, loss, damage, action, suit or other proceeding arising under or out of these License Terms, including in connection with Licensee's use of, reliance upon, access to, or exploitation of the Licensed Content, or any part thereof, or any rights granted to Licensee hereunder. Licensors' maximum liability hereunder will be the License Fee paid by Licensee.

**6. Dispute Resolution:** Licensee acknowledges that use of the Licensed Content in a manner not expressly authorized by these License Terms is unauthorized and subject to the rights and remedies provided in law or in equity throughout the various countries in the Territory. Without prejudice to any other remedies, Licensors and Content Suppliers may seek injunctive relief and applicable legal remedies to cease the infringing conduct (including the "notice and takedown" procedures outlined in 17 U.S.C. § 512 or any successor statute) with respect to any infringing or unauthorized use of the Licensed Content. In addition, Licensee acknowledges and agrees that any unauthorized use of Licensed Content or failure to credit the Content Supplier as required herein will entitle Licensors to liquidated damages in the amount equal the greater of: (i) ten thousand dollars (\$10,000) for each unauthorized use or failure; and (ii) where applicable, ten (10) times the standard license fee that would have been charged had Licensee secured all rights necessary to authorize the use concerned. Licensee acknowledges that Licensors' actual damages in the event of such breach would be difficult to definitively ascertain based on uncertainties regarding the impact to Licensors' reputation and goodwill in the industry and the damage to Licensors' relationships with its current and future Content Suppliers. Accordingly, Licensee agrees that the above-referenced amount is not a penalty for breach and is a reasonable liquidated damages amount, and that such liquidated damages are cumulative of and without prejudice to Licensors' other remedies. Except as expressly provided otherwise herein, any controversy or claim between the parties arising out of or relating to these License Terms, including the formation, validity, construction, scope, performance, breach, cancellation, or termination thereof will be resolved exclusively in the courts located in Tarrant County, Texas under the laws of the state of Texas without regard to conflicts of laws principles. Notwithstanding the foregoing, Licensors will have the right (but not the obligation) to initiate jurisdictionally appropriate claims against Licensee before the Copyright Claims Board as a means of alternative dispute resolution. Licensee hereby agrees to participate in such proceedings and waives any right to opt out of the same. Additionally, if Licensors is sued or joined in a third-party action relative to the Licensed Content or the Project, Licensors will have the right (but is not required) to pursue any related counterclaims, crossclaims, or third-party claims against Licensee or any Purchaser in connection with such action, and each party hereby consents to the jurisdiction of the court and forum where the action is pending. In all instances, Licensee agrees to waive personal service of a summons and agrees to accept service of process at the email address used for Licensee's account on the Site.

For clarity, in the event of any inconsistency between these terms and such Terms of Service or Privacy Policy, the terms herein will control. Licensee hereby grants Licensors all rights necessary to permit Licensors to use such portions of the Project solely for archival, promotional, and marketing purposes on the Site on a royalty-free basis. In no event whatsoever will Licensee have any right to seek or obtain injunctive relief against Licensors (or any person, firm, or entity deriving rights therefrom) in connection with this agreement or otherwise in connection with the Licensed Content. The relationship between Licensors and Licensee is solely that of an ordinary contract, and neither party has any fiduciary or other special relationship with the other party. Further, nothing herein, expressed or implied, will constitute or contemplate a partnership, joint venture,

employment, or other agency relationship between Licensor and Licensee. This agreement is for the sole benefit of the parties hereto and their respective successors and permitted assignees. Nothing herein, expressed or implied, is intended to or confers upon any other person, firm, or entity any legal or equitable right, benefit, or remedy under or in connection with this agreement. No modification, amendment, waiver, or discharge of these License Terms will be binding unless done by a written instrument signed by the parties. The invalidity or unenforceability of any provision hereof will not affect the validity or enforceability of any other provision hereof. As used herein, the word "including" is nonrestrictive, and the word "or" is disjunctive but nonexclusive unless otherwise stated. Any paragraph headings are included only as a general guide to the contents thereof and do not control, enlarge, or restrict the terms or meaning of those paragraphs. If any legal proceeding is brought by either party hereto to enforce or interpret these License Terms, both parties will be deemed to have jointly drafted these License Terms and neither side will enjoy the benefit of any evidentiary presumptions based upon the identity of the drafter thereof. Licensee acknowledges that it has been represented by independent counsel or has had the unrestricted opportunity to consult with independent counsel of its own choice in connection with reviewing and agreeing to be bound by these License Terms, and that any failure by Licensee to retain independent counsel will not affect the enforceability or interpretation hereof.
