

Hello Rooted Friends!

The next two weeks are all about service and our serve experience is the application of all we will be reading. Let's do all we can to be a part of all the lessons and discussions and our experience. I realize this is a big ask with all the other things pressing on you at this time, but believe me it will be worth it.

(Give details of your Serve Experience including time and location and inform group we will meet at site 30 minutes prior to pray before entering to serve)

Developing relationships while we serve is priority and diminishes spiritual poverty, thus let's remember to focus on developing relationships with those we serve and not just the physical act of serving.

Week 6: Bible Memory Verse

"We are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10

Making the Most of My Life (part 1)

This is part one of a two-part, two-week journey. This will be a chance for all of us to explore what God has placed us here to do... our calling. I would encourage you to take a spiritual gifts inventory as well. Follow the link below and come prepared to share your findings.

Link: <https://www.freeshapetest.com/> (Answer Spiritual Gifts questions 1-72 and then take a screen capture of the Spiritual Gifts Scores & S.H.A.P.E. Survey. You don't need to go any further than this for Rooted purposes, but feel free to continue on.)

(Might draw attention to one day that was meaningful to you.)

Here are the names of those who will be sharing their story this week: (names)

Please let me know if you have any questions at all. Looking forward to our time together.
