

Hello Rooted Friends!

(Might be good here to lead with Serve Experience comments. Also, make sure they have the Rooted Celebration on their calendars. (Provide Celebration Date) Begin to ask if anyone is planning to get baptized at the Celebration. In general, we will need a count for who is attending as well.)

Week 7: Bible Memory Verse

“The King will reply, ‘Truly I tell you, whatever you did for the least of these brothers and sisters of mine, you did for me.’” Matthew 25:40

Making the Most of My Life (part 2)

This week you will look at ways to act on the compassion God gives for others. You will be challenged to consider a different view on poverty. I will also be offering you ways to get plugged in and serve in the church if you are not already involved. Many of you chose Rooted to get connected and serving can be a great extension of that. Pray that God will continue to reveal to you His call on your life and His place for you here at Compass. (Would be great to list your campuses next serve tour here and have your group get registered)

Here are the names of those who will be sharing their story this week: (names)

Please let me know if you have any questions at all. Looking forward to our time together.
