

We are in week 8 "How Does God View Money?"

Money is so private and personal that sometimes we even keep God out. Do not miss a great opportunity to have a deeper conversation with God about this topic this week by not spending time in your Rooted book doing the homework!

My prayer is honesty in our assessment of how we manage money and that we see this topic as an issue between ourselves and God.

Week 8: Bible Memory Verse

"Do not store up for yourselves treasures on this earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also." Matthew 6:19-21

How does God view Money?

This will be a powerful week if you spend the time. God talks more about money than any other single topic. Its always a struggle for us. Paul prays that God would not give him too little so he is tempted to steal or too much so he does not even need God. Money is a root of all sorts of trouble and we need great wisdom to handle it well.
