Cloud adoption: A good way to give access and have control

Think security first!!!

Micro/OfP 365, Identity Manager, MFA, Biometrics, Leaked Cred Monitoring

Integrate security throughout

So many data platforms, increased data volume in remote world

Independent: MFA

$600B lost to cyber crime each year

GDPR compliance: customer data security

INTEGRATE SECURITY THROUGHOUT

WHO AND WHAT DO WE SUPPORT?

So many tools = struggle

WHO HAS ACCESS AND WHY?

MFA LOGIN
