Flavor Profile:

## **TAMARIND**

A tropical fruit with a sweet and sour flavor. It offers the perfect tang when eaten on it's own or paired with fruit.

Flavor Profile:

## **CHAMOY**

A classic Mexican sauce made from blend of dried fruit, chilis, and Tajin® for a sweet and spicy, slightly tangy flavor. Pairs well with fruit flavors.

Flavor Profile:

## **CHILI POWDER**

The spice that brings that extra kick to Hispanic candies and foods. It's often paired with fruit flavors for that beloved sweet heat.
