

# SmartStart

*now even smarter!*

**Rules:**

1. To qualify for SmartStart bonuses, the new member's sign-up order must be at least 100–300 QV points.
2. SmartStart bonuses were formerly paid only when the new Member's monthly points were between 100–300 QV. Now bonuses are paid on **every** sign-up order of 100–300 QV points.
3. Any QV points above 300 will be calculated based on normal compensation plan rules, but you'll receive SmartStart bonuses on the first 300 QV points.
4. Sunshine Points awarded to new signups must be used within 90 days, may not be combined with other discounts and does not include QV points.
5. QV transfers to new signups do not qualify new members for SmartStart.
6. Sponsors who joined NSP before the Legacy compensation plan was offered (June 2006) are considered Classic sponsors for bonus purposes.
7. The finder/sponsor must have at least 100 personal QV points to qualify for compensation. Otherwise, payout is in accordance with the normal compensation plan.
8. Foreign sponsors and upline managers are not eligible for weekly pay.
9. SmartStart applies to U.S. only.

*Note: First weekly payout is scheduled for Friday, February 15, 2013.*
