NEW FORMULA Available January 2019

Pau D'Arco Lotion

113.4 mL, Herbal Moisturizing Lotion, Stock No. 21912

ortified with *Tabebuia Heptaphylla* bark extract derived from the ancient Pau D'Arco tree, Pau D'Arco Lotion provides a powerful formula that replenishes the skin's moisture barrier, prevents damage to the skin, and promotes skin elasticity. Its moisturizing properties soothe dryness and itching due to dry skin.

Did you know?

Pau D'Arco trees are native to the rain forests of South America and are known to repel fungal growth. Native tribes of South America use Pau D'Arco topically for a variety of skin conditions.
