

Herbal ENERGETICS

The key ways to effectively use herbs

Learn From A Herbal Master

Workshop with Steven Horne *DNM, RH*

Registered Master Herbalist, Chinese Herb Specialist, Iridologist, Doctor of Natural Medicine

Few individuals are as knowledgeable in herbal medicine and NSP products as Steven Horne. For over 30 years, Steven Horne has been teaching people the art and techniques of herbal medicine and holistic healing. A Registered Herbalist and past president of the American Herbalists Guild (AHG), Steven's passion for herbal medicine and natural healing has led him to teach classes all over the United States, Canada, and throughout the world.

(Optional) Business Development Workshop 3:15 - 5 pm

Rhancha Trick, Director of Business Development, Canada

In this training Rhancha will pull from the works of Ray Higdon and Sarah Robbins, who are some of the best network marketing experts.

- Learn how to use Social Media to prospect and gain new clients.
- Go for No! – The power of the word No and how it can take your business to the next level.
- The art of Sponsoring people into the business.

(This is an optional workshop so please register separately with Milly if you plan to attend. No additional cost.)
