OW BRONZE LCR

Triad proudly introduces the new OnWall Bronze LCR. With the same great performance as their InRoom, InCeiling and InWall counterparts, Triad now offers upscale solutions for installations using flat panel video displays, or where only an onwall speaker can be used. All OnWall speakers utilize a compact, sealed enclosure and handsome Acoustiperf grill. They also feature a unique EZ Mount Bracket system that allows the speaker to mount flush to the wall.

Finishes available include an almost unlimited selection of veneer or paint. As with all Triad speakers, any speaker can be custom color matched to your sample. In addition, Triad also offers custom height sizing for matching the video display height. Although the Bronze LCR can be used without a subwoofer in smaller venues, it is a great choice for home theaters when used with one or more Triad Subs and Surrounds.

Category: Home Cinema
Tag: OnWall

Features

Compact Design.
Custom lengths available.
Triad AcoustiPerf metal grill.
Easy-Mount Installation.

Enclosure

Fully engineered, Premium MDF enclosure.
Acoustic Suspension.
2-way design.

Finishes

Triad's Basic, Real Wood Veneer & Custom Finishes are available for this product. The standard finish for this product is Black paint. For any other colors, please refer to Triad's Custom Match Finish program for this product. The paint we use is a top quality enamel and is applied with a light pebble finish. The veneer finishes are made from real wood and coated with an enamel clear coat.

Since all computer monitors and their colors vary, the digital color you see here will be different from the actual product finish.
