# SIMPLIFY YOUR LIFE

*La tecnologia che semplifica la vita*

Crediamo nell'utilizzo consapevole della tecnologia, un'alleata per migliorare la qualità della vita delle persone. Sviluppiamo il concetto di well-tech nel mondo dell'abitare. Comfort, sicurezza, controllo ed esperienza sono le parole chiave che tracciano il nostro percorso, oltre il concetto di domotica, verso un autentico benessere abitativo. Siamo nati nel 2012, forti delle nostre esperienze nel settore dell'automazione industriale e dell'elettronica. Arricchendo questa competenza, maturata in oltre 30 anni, con la passione per il design, nasce il progetto Ekinex.

We believe in the conscious use of technology, an ally to improve the quality of people's lives. We develop the well-tech concept in the world of living. Comfort, safety, control and experience are the keywords that trace our path, beyond the concept of home automation, towards a true wellness of living.

We were established in 2012, building on our experience in the industrial automation and electronics sector. By enriching this expertise, gained in over 30 years, with a passion for design, the Ekinex project was born.

FF  
SERIES

## FF | FORM

*Simple and linear. An essential form  
that suggests an idea of reliability and rigour.*

La serie FF in versione Form presenta un'ampia gamma di dispositivi dotati di LED integrati con intensità luminosa regolabile, touch-display, prese elettriche e moduli keystone. I materiali utilizzati sono plastica, metallo, metal HT, il nanotecnologico Fenix NTM® e le diverse finiture possono essere liberamente combinate tra loro.

The FF series in Form version features a wide range of devices with integrated LEDs with adjustable light intensity, touch-displays, power sockets and keystone modules. The materials used are plastic, metal, metal HT, the nanotechnological Fenix NTM® and the different finishes can be freely combined with each other.

**Room temperature controller**

Series FF  
 Version Form  
 LED's colour Red & White / Blue & Green

**Pushbutton with thermostat**

Series FF  
 Version Form  
 LED's colour Red & White / Blue & Green  
 Rockers nr. 4 (square)

Finishes  Metal | Carbon

Dimensions 86 x 86 x 8 mm

**Power socket**

Series FF  
 Version Form  
 Socket type IT USB (A / C)

Finishes  Metal | Carbon  
 Plastic | Effect painting | Carbon (socket cover)

Dimensions 86 x 86 x 8 mm

Window 55 x 55 mm

## FF | FLANK

*Minimal and rigorous. The simplicity of the shapes makes it adaptable to any setting.*

Contraddistinta dai caratteristici bordi laterali, la serie FF in versione Flank dispone di un'ampia gamma di dispositivi dotati di LED integrati con intensità luminosa regolabile, touch-display, prese elettriche e moduli keystone. I materiali utilizzati sono plastica, metallo, metal HT, il nanotecnologico Fenix NTM® e le diverse finiture possono essere liberamente combinate tra loro.

Distinguished by its characteristic side edges, the Flank version of the FF series features a wide range of devices with integrated LEDs with adjustable luminous intensity, touch-displays, power sockets and keystone modules. The materials used are plastic, metal, metal HT, the nanotechnological Fenix NTM® and the different finishes can be freely combined with each other.

#### Touch&See display

Series FF  
 Version Flank  
 Display 3.5" RGB display  
 Resolution 320 x 240 pixels, 65K colours

Finishes  Metal | Titanium

Dimensions 94 x 80 x 8 mm

#### Touch&Control display

Series FF, 71, 20VENTI, SIGNUM  
 Display 4" RGB display  
 Resolution 480x480 pixels, 65K colours

Finishes  Metal

Dimensions 86 x 101,3 x 10,5 mm

#### Power socket

Series FF  
 Version Flank  
 Socket type Schuko USB (A / C)

Finishes  Metal | Titanium  
 Plastic | Effect painting | Titanium (socket cover)

Dimensions 94 x 80 x 8 mm

Window 55 x 55 mm

## FF | 'NF

*Essential geometry in forms and a decisive trait.  
More than ever less is more.*

La gamma di dispositivi della serie FF in versione 'NF offrono la possibilità di creare numerose varianti per soddisfare le esigenze più diverse. Dispositivi dotati di LED integrati con intensità luminosa regolabile, touch-display, prese elettriche e moduli keystone. I materiali utilizzati sono plastica, metallo, metal HT e il nanotecnologico Fenix NTM®.

The range of FF series devices in 'NF' version offer the possibility to create numerous variants to meet the most different needs. Devices with integrated LEDs with adjustable luminous intensity, touch-displays, power sockets and keystone modules. The materials used are plastic, metal, metal HT and the nanotechnological Fenix NTM®.

**Room temperature controller**

Series FF  
Version 'NF  
Display LCD backlit

Finishes  Fenix NTM® | Beaver Ottawa

DELÉGO  
PANEL

## DELÉGO | PANEL

*Wherever you are you will never be far  
from the things you love.*

Grazie a Delégo resti connesso con la tua casa in ogni momento, da qualunque luogo, in qualsiasi momento della giornata.

Delégo controlla ogni ambiente assicurandoti sicurezza, benessere e comfort. Crea per te lo scenario più adatto ad ogni momento della giornata lasciandoti libero di goderti ogni attimo.

Thanks to Delégo you remain connected to your home at all times, from anywhere, at any time of the day. Delégo controls every space ensuring safety, well-being and comfort. It creates for you the most suitable scenario for every moment of the day, leaving you free to enjoy every moment.

# ASK YOUR HOUSE TO BE LIKE YOU

*Professional supervision*

Delégo permette di controllare a distanza luci, clima, automatismi, apparecchiature audio/video, tapparelle e altro ancora con un semplice tocco, da un unico dispositivo e da qualsiasi punto dell'edificio raggiunto dalla rete wi-fi o da remoto tramite connessione web. L'immediata integrazione con i dispositivi Ekinex® è arricchita dalla compatibilità con qualsiasi dispositivo basato sullo standard aperto KNX.

Delégo allows you to remotely control lights, climate, automatism, audio/video equipment, shutters and more with a simple touch, from a single device and from any point of the building reached by the wi-fi network or remotely via web connection. Immediate integration with Ekinex® devices is enhanced by compatibility with any device based on the KNX open standard.

**Dimensions** 430 x 300 x 90 mm

## MUSIC IN YOUR HAND

*All services in one app. Easy and intuitive*

L'app Sentio è l'applicazione mobile Ekinex per Android e iOS. È possibile controllare facilmente tutti i dispositivi audio presenti in casa, sia che si voglia riprodurre musica dal telefono o dal PC, sia che si voglia riprodurre musica differente per ogni dispositivo o la stessa musica per tutti i dispositivi. Aggiungere i dispositivi audio, gestire liberamente le zone dell'impianto o selezionare le diverse sorgenti di riproduzione non è mai stato così semplice.

The Sentio App is the Ekinex mobile app for Android and iOS. You can easily control all audio devices in your home, whether you want to play music from your phone or PC, play different music for each device or the same music for all devices. Adding audio devices, freely managing system zones or selecting different playback sources has never been easier.

**Wall-mounted speaker IP66 (pair)**

 Screen resolution 720 x 1280 px  
 Camera 2M pixel dual-lens camera, WDR

Finish  Black (RAL 9005)

Dimensions 192 x 88 x 27,5 mm

## REVÉLO | LIFT TV

*The TV lift Made in Italy, Made in Ekinex.*

Amiamo vedere la nostra serie preferita, le imprese sportive, le news appena svegli, ma vogliamo vedere il tv solo quando serve. Per questo motivo abbiamo creato una serie di sollevatori Made in Italy che ti aiutano a disporre meglio i tuoi spazi, dandoti l'opportunità di nascondere il televisore quando non è in funzione.

We love to watch our favourite series, sporting events, the news as soon as we wake up, but we only want to see TV when needed. That is why we have created a series of Made in Italy lifts that help you to better arrange your space, giving you the opportunity to hide the TV when it is not in use.

**Under Bed Lift TV**

Series REVÉLO  
 TV screen size (min) 32"  
 TV screen size (max) 55"  
 TV weight (max) 25 kg

 Dimensions (max) 471 x 1945 x 171.5 mm (without TV)

# FINISHES & MATERIALS

*Around customer needs*

Proponiamo elementi distintivi che escono dagli schemi tradizionali per adattarsi o esaltare lo stile degli interni. I materiali e le diverse finiture interpretano con coerenza la personalità di ogni progetto. Scegliere tra la rigidità del metallo o la sensazione tattile del Fenix NTM®, abbinare finiture opache o lucide, personalizzare con icone o testi: scelte personali fatte per creare un oggetto unico.

We propose distinctive elements that break out of traditional patterns to fit or enhance the style of the interior. The materials and different finishes consistently interpret the personality of each project. Choose between the rigorousness of metal or the tactile sensation of Fenix NTM®, combine matte or glossy finishes, customize with icons or lettering: personal choices made to create a unique object.

# SIMPLIFY YOUR ACTIONS

*Text and symbols*

Scegliete un simbolo per ogni funzione dall'ampia libreria e create la vostra combinazione personale per ogni stanza. Inviateci il vostro logo in formato vettoriale o il testo che volete sia stampato sui tasti. Premere il pulsante giusto non è mai stato così facile. **I simboli riportati sulle prossime pagine possono essere sostituiti da simboli o testi personalizzati su richiesta.**

Choose a symbol for each function from the wide library and create your own combination for every room. Send us your logo in vector format or the text you want to be printed on the rockers. Press the right pushbutton has never been easier. **The symbols on the following pages can be replaced by customised symbols or texts on request.**
