IN MEMORY OF LISA ZUCKER A"H

We dedicate this year's Chinese Auction to the memory of Lisa Zucker A"H and are thrilled to launch the Lisa Zucker Memorial Scholarship Fund of New York NCSY.

Lisa Zucker was the quintessential NCSY success story. At the age of 12, Lisa began keeping Shabbat on her own. While attending Stuyvesant High School, she actively sought out Jewish students to help strengthen their Jewish ties.

After high school, Lisa decided to study in a seminary in Israel for the year. Upon her return to the United States, she attended Yeshiva University's Stern College for Women, displaying her incredible commitment to Judaism.

When Lisa met and married Rabbi Moshe Zucker, a long-time NCSY employee, she achieved her goals of not only marrying someone who would join her in her pursuit of a stronger relationship with Hakadosh Baruch Hu, but also one that would inspire Jewish teens, just as she had done.

Lisa dedicated her life to her family, children and grandchildren. For the Zuckers, this included the thousands of souls that they hosted for Shabbat meals. Many years of Lisa's life were spent nourishing Jewish teens and adults both with food for the body and Torah for the soul. She woke up early every Friday to make potato kugel for Rabbi Zucker to bring to his students to get a small "sneak preview" of Shabbat.

Lisa was truly the engine that drove Rabbi Zucker and the rest of his family, and her loss is felt all across our NCSY family.
