SCREW CLASSIFIER

T SERIES SCREW CLASSIFIER

Nesans T Series Screw Classifier come with varying pitch and diameters for classifying materials depending upon its physical properties. Durable screw design run at ideal speeds has aided T Series Classifiers to deliver output of authorized quality.Assisted with Dewatering Screens, T Series Classifiers are the most recommended for smaller range wet processing plant.

Model	Spiral Dia" X Length'	Rotor Speed rpm	Drive Motor Power Hp	Dewatering Motor (Hp)	Capacity t/h
T401	20" X 22'	35	5	2 X 2 HP	30
T402	24" X 22'	28	7.5	2 X 5 HP	50
T403	30" X 25'	24	15	2 X 5 HP	75
T405	36" X 25'	21	20	2 X 7.5 HP	100
T406	44" X 32'	15	25	2 X 7.5 HP	150
T407	48 X 33'	15	30	2 X 10 HP	200
