ABOUT DELTA UNDERWRITING & LLOYD'S OF LONDON

Delta Underwriting is proud to be the only locally operated specialist liability underwriting firm with local ownership in Singapore. Delta Underwriting is the first Financial Lines Lloyd's Coverholder in Asia specializing in Cyber, Technology and Professional Liability insurance. With the support of Allied World Assurance Company (NYSE: AWH), we provide comprehensive insurance coverage solutions with a range of liability products.

Allied World provides its insurance capital through its Syndicate AWL 2232 at Lloyd's of London. Delta Underwriting Private Limited is an approved Coverholder of Lloyd's and is acting as an agent of Syndicate AWL 2232.

Lloyd's is the world's specialist insurance market. Unlike many other insurance brands, Lloyd's is not a company – it's a market where members join together as syndicates to insure risks.

A Coverholder, like Delta Underwriting, is a company or partnership authorised by a managing agent to enter into a contract or contracts of insurance to be underwritten by the members of a syndicate managed by it in accordance with the terms of a binding authority.

Coverholders allow Lloyd's syndicates to operate in a region or country as if they were a local insurer.
