

Contract Review offering

Delta has partnered with Sparke Helmore Lawyers to offer our brokers and insureds a discounted contract review service.

- Unfair contract terms
- Unclear, vague or misleading contracts
- Outrageous insurance requirements
- Assuming unnecessary liability

We are offering an exclusive discounted pricing service for contract reviews and advice including:

- Employment contracts
- Building contracts
- Subcontractor agreements
- Service contracts
- Company/shareholder agreements
- Commercial arrangements
- Leasing/property contracts

The Offering

Brokers and Delta's insureds will have access to Sparke Helmore's national team of experts, who can answer their questions and perform contract review services. We have designed a tiered approach that incorporates the provision of legal advice at the significantly reduced rate of **\$250/hour**, for up to a maximum of four hours. If further work is required, this would just be billed at hourly rates (agreed in advance with the broker or insured).

How it works

1. Notify.

Brokers and Delta insureds send the query and any relevant documentation to:
Contract.Review@sparke.com.au

2. Acknowledge.

The query is acknowledged by Sparke Helmore within 24 hours.

3. Assign.

Sparke Helmore will assign the query to a suitably experienced member of the team who will make contact within 48 hours to agree on the approach.

4. Engage.

Sparke Helmore assumes conduct of the query and deals directly with the broker and/or insured.
