Policy wording

IMPORTANT NOTICES

Claims Made Insurance

This policy is issued by Delta Insurance Australia Pty Ltd ('Delta, 'we', 'our' or 'us') on a claims made and notified basis. Accordingly, this policy will only apply to claims first made during the policy period or extended reporting period, if applicable, and notified to Delta in writing during the policy period or extended reporting period, if applicable. This policy may not provide cover for any claims or events made against you during the policy period if at any time prior to the commencement of the policy period you became aware of facts which might give rise to those claims being made against you. Section 40(3) of the Insurance Contracts Act 1984 (Cth) applies to this type of policy. It provides that where the insured becomes aware of any facts that might give rise to a claim against the insured, provided that the insured notifies the insurer in writing of those facts as soon as reasonably practicable after the insured becomes aware of those facts before the policy period expires, the insurer is not relieved of liability under the contract in respect of a claim which arises out of those facts, merely because when the claim is made, it is made after the policy period has expired.

Insured's Duty of Disclosure

Section 21 of the Insurance Contracts Act 1984 (Cth) provides that before you enter into an insurance contract, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, that may affect the insurer's decision to insure you and on what terms. You have this duty until the insurer agrees to insure to you. You have the same duty to disclose before you renew, extend, vary or reinstate an insurance contract.

However, you do not need to tell the insurer anything that:

- reduces the risk the insurer insures you for; or
- is common knowledge; or
- your insurer knows or should know as an insurer; or
- the insurer waives your duty to tell them about.

If you do not tell the Insurer something

If you do not tell the insurer something. If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you

if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Unusual terms

Please note Exclusion 3.16 which prevents the insurer from providing cover, benefits or paying claims where that would expose the insurer to sanctions, prohibitions or restrictions.

Where the Insurer makes a payment under this policy, the amount of the payment will be reduced by the amount of any input tax credit to which you are or may, in the opinion of the Insurer, be entitled to claim

The amount of the applicable retention is calculated after deduction of the amount of any input tax credit

that you are or may, in opinion of the Insurer be entitled to claim. 4.1 Notice Requirements and Consent

4.1.1 The **Insured** shall, as a condition precedent to the obligations of the **Insurer** under this Policy: (a) give written notice to the **Insurer** of any **Claim** made against the **Insured** as soon as practicable after an **Executive Officer** first becomes aware of such **Claim**; or (b) give written notice to the **Insurer** of any other matter for which coverage is provided under this Policy as soon as practicable after such matter first arises. In all events, notice must be given no later than thirty (30) days after the Expiration Date of this Policy.

4.1.2 An **Executive Officer** may, during the **Policy Period**, notify the **Insurer** of any circumstance reasonably expected to give rise to a **Claim** or any other matter for which coverage is provided under this Policy. The notice must include the reasons for anticipating such a **Claim** or matter, and full relevant particulars with respect

to dates, the alleged, suspected, potential or supposed breach, the potential **Insured** and claimant(s) involved, an estimate of possible **Loss** and the potential media or regulatory consequences.

4.1.3 All notices to the **Insurer** as required under this Policy shall be transmitted by certified mail or prepaid courier to the address set forth in the **Schedule** or by electronic mail to the e-mail address listed in the **Schedule**. Such notices shall be deemed effective when received by the **Insurer**.

4.1.4 As a condition precedent to any coverage under this Policy, the **Insured** shall not admit or assume any liability, enter into any settlement agreement, or consent to any judgment or incur any **Defence Costs** or any other amounts covered under this Policy, without the prior written consent of the **Insurer** (which shall not be unreasonably delayed or withheld).

4.2 Defence and Settlement of Claims

4.2.1 The **Insurer** will have the right and duty to defend any **Claim** under Insuring Agreement 1.4 which is covered, in whole or in part, by this Policy even if such **Claim** is groundless, false or fraudulent. The **Insurer** will have the right to conduct investigations and conduct negotiations and, with the consent of the **Insured**, enter into the settlement of any **Claim** as the **Insurer** deems appropriate.

4.2.2 If the **Insured** refuses to consent to the settlement of a **Claim** acceptable to the claimant in accordance with the **Insurer's** recommendations, then, subject to the Limit of Liability and any applicable Sublimit of Liability, the **Insurer's** liability for any such **Claim** will not exceed:

- a. the amount for which such **Claim** could have been settled by the **Insurer**, plus **Defence Costs** incurred up to the date the **Insured** refused to settle such **Claim**; plus
- b. fifty percent (50%) of any **Loss** in excess of the amount described in paragraph (a) above, incurred in connection with such **Claim**. The remaining **Loss** will be borne by the **Insured** at its own risk and will be uninsured.

4.2.3 If there is a determination that the **Insureds** shall not be entitled to payment of **Defence Costs** under the terms and conditions of this Policy, such payments by the **Insurer** shall be repaid to the **Insurer** by the **Insureds**.

4.3 Cooperation and Subrogation

4.3.1 In the event of a **Claim** or any other matter for which coverage is sought under this Policy, the **Insured** will provide the **Insurer** with all information, assistance, and cooperation that the **Insurer** reasonably request, and will do nothing that may prejudice the **Insurer's** position or potential or actual rights of recovery. At the **Insurer's** request, the **Insured** will assist in any actions, suits, or proceedings, including but not limited to attending hearings, trials and depositions, securing and giving evidence, and obtaining the attendance of witnesses, and will also assist in making settlements.

4.3.2 In the event of any payment under this Policy, the **Insurer** will be subrogated to the extent of any payment to all of the rights of recovery of the **Insured**. The **Insured** will execute all papers and do everything necessary to secure such rights, including the execution of any documents necessary to enable the **Insurer** to effectively bring suit in their name.

4.3.3 Any sums recovered after expenses shall be paid first to reimburse the **Insured** for any sums paid to a claimant and any funds remaining shall be paid to the **Insurer** although the **Insurer** shall control any recovery action, including settlement in return for advancing funds for the subrogation action.

4.3.4 The obligations of the **Insured** under this Claims Condition 4.3 will survive the expiration or cancellation of the Policy.

4.4 Determination of Business Interruption Costs

4.4.1 Reduction in Business Income

In determining **Business Income**, the **Insurer** will take account of the net profit or loss, before income taxes, of the **Insured's** business before the **Network Attack** (under Insuring Agreement 1.2) or **Network**

Failure (under Automatic Extension 2.5, if applicable) occurred, and any other relevant factors.

In determining the amount of the loss of **Business Income** caused by the **Network Attack** or **Network Failure** (as applicable), such amount:

- a. will not include any loss of **Business Income** which is attributable to **Extra Expense** (as **Extra Expense** is included separately in the calculation of **Business Interruption Costs**);
- b. will be reduced by any increase in net profit earned during the thirty (30) days immediately following the expiration of the **Period of Restoration** from the sales of goods or services that would have been recorded during the **Period of Restoration**, but for the **Network Attack** or **Network Failure** (as applicable);
- c. will not include compensation, fees, benefits, overhead, or the charges or expenses of the **Insured**; and
- d. will be reduced to the extent that the **Insured** is able to resume its **Business Operations**, in whole or in part, by making partial use of the **Company's Network** and **Digital Assets** and by using available work-arounds.

4.4.2 Extra Expense

The amount of **Extra Expense** will be determined based upon all expenses that exceed the normal operating expenses that the **Insured** would have incurred in its **Business Operations** during the **Period of Restoration** had a **Network Attack** (under Insuring Agreement 1.2) or **Network Failure** (under Automatic Extension 2.5, if applicable) not occurred. **Extra Expenses** will be paid under this Policy only to the extent that such expenses avoid or minimise a reduction of **Business Income** that otherwise would have been payable under Insuring Agreement 1.2 or Automatic Extension 2.5.

The amount of any **Extra Expense** will be reduced to the extent the **Insured** can return its **Business Operations** to normal and discontinue incurring such **Extra Expense**.

4.5 Goods and Services Tax

- 4.5.1 When the **Insurer** makes a payment under this Policy for the acquisition of goods, services or other supply, the **Insurers** will reduce the amount of the payment by the amount of any input tax credit that the **Insured** is, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999, in relation to that acquisition, whether or not that acquisition is actually made.
- 4.5.2 When the **Insurer** makes a payment under this Policy as compensation instead of payment for the acquisition of goods, services or other supply, the **Insurer** will reduce the amount of the payment by the amount of any input tax credit that the **Insured** is, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or supply.
- 4.5.3 Where and to the extent that the **Insurer** is entitled to claim an input tax credit for a payment made under the policy, then any monetary limit in the Policy applying to the **Insurer's** obligation to make such a payment, shall be net of the entitlement to the input tax credit.
- 4.5.4 Where and to the extent that the **Insured** is entitled to claim an input tax credit for a payment required to be made by the **Insured** as a retention, then the amount of the retention shall be net of the **Insured's** entitlement to the input tax credit.

SECTION 5: GENERAL CONDITIONS

5.1 Limits of Liability

- 5.1.1 The Limit of Liability for this Policy, as set forth in Item 3A of the **Schedule**, is the **Insurer's** maximum liability under all Insuring Agreements combined.
- 5.1.2 The Sublimit of Liability for each Insuring Agreement, as set forth in Item 5 of the **Schedule**, is the **Insurer's** maximum liability for each corresponding Insuring Agreement.
- 5.1.3 Any Sublimit of Liability of this Policy: (a) shall be part of, and not in addition to, the Limit of Liability of this Policy; and (b) is the

maximum liability of the Insurer for all **Loss** to which the Sublimit of Liability applies.

- 5.1.4 If any Sublimit of Liability for an individual Insuring Agreement is exhausted by the payment of **Loss**, all obligations of the **Insurer** under this Policy with respect to the individual Insuring Agreement, including any obligation to pay any further **Defence Costs**, will be completely fulfilled, and the **Insurer** will have no further obligations under this Policy of any kind with respect to the individual Insuring Agreement.
- 5.1.5 Any payment of **Loss** under this Policy shall reduce and may exhaust the Limit of Liability of this Policy as set forth in Item 3A of the **Schedule**. If the Limit of Liability of this Policy is exhausted by the payment of **Loss**, the **Insurer** will have no further obligations of any kind with respect to this Policy, including any obligation to pay any further **Defence Costs**, and the Premium set forth in Item 13 of the **Schedule** will be fully earned.

5.2 Retention

- 5.2.1 The **Insurer** shall only be liable to pay or reimburse the **Insured** for any **Loss** that exceeds the **Retention** applicable to each Insuring Agreement as set forth in Item 4 of the **Schedule**. The **Retention** shall be borne by the **Insured** and remain uninsured. The applicable **Retention** shall apply to each and every **Claim** or other matter giving rise to coverage under each Insuring Agreement. A single **Retention** amount shall apply to all **Loss** from all **Related Claims**.
- 5.2.2 No **Retention** shall apply to Insuring Agreements 1.1.2, 1.1.4 and 1.1.5, unless otherwise be specifically set forth in Item 4 of the **Schedule**.
- 5.2.3 The **Insurer** will have no obligation whatsoever, either to the **Insureds** or to any person or entity, to pay all or any portion of any **Retention** amount on behalf of the **Insured**; however, the **Insurer** will, at their sole discretion, have the right and option to do so, in which event, the **Insureds** agree to repay the **Insurer** any amounts so paid.
- 5.2.4 If the same or related act(s), error(s), event(s), omission(s) or circumstances results in coverage under more than one Insuring

Agreement, then only one **Retention** shall apply, which shall be the highest applicable **Retention** set forth in Item 4 of the Schedule.

5.3 Other Insurance

- 5.3.1 All **Loss** and other amounts payable under this Policy will be excess of, and will not contribute with, any other valid and collectible insurance provided by any Professional Indemnity, Privacy Policy, Technology Errors & Omissions Policy, Network Security Liability Policy, Cyber-liability Policy, Media Liability Policy or any other equivalent policy, unless such other insurance is specifically stated to be in excess of this Policy. This Policy will not be subject to the terms of any other insurance. If such other valid and collectible insurance provided by any Professional Indemnity, Privacy Policy, Technology Errors & Omissions Policy, Network Security Liability Policy, Cyber-liability Policy, Media Liability Policy or any other equivalent policy is provided by the **Insurer**, the maximum amount payable shall not exceed the Limit of Liability of this Policy.
- 5.3.2 Notwithstanding General Condition 5.3.1 above, with respect to any **Claim** under Insuring Agreement 1.4 for which any coverage is available under any insurance policy(ies) which applies to claims for **Bodily Injury** and/or **Property Damage**, the **Insurer** will have no duty to defend such **Claim**, or to pay **Defence Costs** incurred by or on behalf of the **Insured** in connection with such **Claim**, or to contribute to any defence provided to the **Insured** under such other insurance policy(ies), or to reimburse any other insurer or underwriter, in whole or in part, for **Defence Costs** incurred in connection with such **Claim**.
- 5.3.3 For the purpose of General Condition 5.3.2 above, **Bodily Injury** shall not mean emotional distress, mental injury, mental tension or mental anguish allegedly caused by a **Breach**.

5.4 Extended Reporting Period

- 5.4.1 If this Policy is non-renewed by the **Insurer**, the **Insured** shall have the right to purchase an **Extended Reporting Period** of twelve (12) months from the expiry of the Policy Period.

- 5.4.2 The **Insured's** right to purchase an **Extended Reporting Period** shall lapse unless written notice of election to purchase such **Extended Reporting Period** and the applicable additional premium is received by the **Insurer** within sixty (60) days after non-renewal of this Policy. The **Insured** shall not have any right to an **Extended Reporting Period** in the event of a **Change in Control** as described in General Condition 5.6.
- 5.4.3 The additional premium for an **Extended Reporting Period** is specified in Item 7 of the Schedule. Such premium shall be fully earned at the inception of the **Extended Reporting Period**.
- 5.4.4 During the **Extended Reporting Period**, the **Insured** may provide the **Insurer** with notice, pursuant to Claims Condition 4.1, of any **Claim** or other covered costs first made against an **Insured** during the **Extended Reporting Period**, for any **Breach** occurring prior to the effective date of the non-renewal of this Policy.
- 5.4.5 The **Extended Reporting Period** provided under this Policy: (a) shall not increase or reinstate any Limit of Liability or Sublimit of Liability of this Policy; and (b) is non-cancellable.

5.5 New Subsidiaries

- 5.5.1 The term **Subsidiary** shall automatically include any entity of which the **Company** first has **Management Control** ("Controlled Entity") during the **Policy Period**, either directly or indirectly through one or more other **Controlled Entities**, as long as:
- such acquired entity is not formed as a partnership; and
 - such acquired entity's total consolidated turnover is less than thirty-five percent (35%) of the consolidated gross turnover of the **Company** at the Inception Date set forth in Item 2A of the **Schedule**;
- provided, however, that the **Insured** gives written notice to the **Insurer** of such acquired entity prior to the end of the **Policy Period**.

- 5.5.2 Any entity acquired during the **Policy Period** by the **Company**, other than any entity described in General Condition 5.5.1 above, shall automatically be covered

for a period of ninety (90) days from the effective date of the acquisition, but only in respect of **Breaches** which occur after such date. The **Insurer** may extend such coverage beyond ninety (90) days if the **Policyholder** submits a written request to the **Insurer** within ninety (90) days from the effective date of the acquisition with full details regarding such entity. This extension of coverage is conditioned upon the **Insured** paying when due any additional premium required by the **Insurer** and accepting any amended terms and conditions of this Policy.

- 5.5.3 Coverage afforded under this Policy for a **Claim** made against the **Insured** relating to a **Breach** of a **Subsidiary** shall only apply to **Breaches** committed or allegedly committed during the time such entity is a **Subsidiary**.

5.6 Change in Control

If, during the **Policy Period**, any of the following events occurs:

- the acquisition of the **Policyholder**, or of more than fifty percent (50%) of its assets, by another entity, or the merger or consolidation of the **Policyholder** into or with another entity such that the **Policyholder** is not the surviving entity;
- the appointment of a receiver, conservator, trustee, liquidator, or rehabilitator, or any similar official, for or with respect to the **Policyholder**; or
- the obtaining by any person, entity, or affiliated group of persons or entities of the right to elect, appoint, or designate at least fifty percent (50%) of the directors or trustees of the **Policyholder**, then coverage under this Policy will continue in full force and effect but only with respect to **Claims** under Insuring Agreement 1.4 for **Breaches** or any other covered expenses committed before any such event. After any such event, this Policy may not be cancelled, regardless of General Condition 5.7.2, and the entire premium for the Policy will be deemed fully earned.

5.7 Cancellation

- 5.7.1 The **Insurer** may cancel this policy in accordance with the Insurance Contracts Act (cth).

5.7.2 In the absence of a **Change in Control**, the **Insured** may cancel this Policy at any time by giving the **Insurer** written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective. If the **Insured** has notified any **Claims** or the **Insurer** has made any payments of **Loss** under the Policy prior to such cancellation then the premium for this Policy will be deemed fully earned and there will be no refund of any premium due. If the **Insured** has not notified any **Claims** and the **Insurer** has not made any payments of **Loss** then the **Insurer** will make a pro-rata refund of premium.

5.8 Representations; Severability

5.8.1 The **Insured** represents that the particulars and statements contained in the **Proposal** are true, accurate, and complete, and agrees that this Policy is issued in reliance on the truth of that representation, and that such particulars and statements, which are deemed to be incorporated into and to constitute a part of this Policy, are the basis of this Policy.

5.8.2 In the event of any material untruth, misrepresentation or omission in connection with any of the particulars or statements in the **Proposal**, the knowledge of one natural person **Insured** will not be imputed to any other natural person **Insured**; provided, however, that this Policy will be void:

- a. with respect to any natural person **Insured** who knew of such untruth, misrepresentation or omission; and
- b. with respect to the **Policyholder**, but only if an **Executive Officer**, or any person in a functionally equivalent position within the **Policyholder**, knew of such untruth, misrepresentation or omission.

5.9 Death, Incapacity, or Insolvency of the Insured

The **Insurer** will not be relieved of any its obligations under this Policy by the death, incapacity, or insolvency of the **Insured**. In the event of the death, incapacity, or insolvency of the **Insured**, any **Claim** against the estate, heirs, legal representatives, or assigns of such **Insured** for a **Breach** of such **Insured**, will be deemed to be a **Claim** against such **Insured**.

5.10 Spousal and Domestic Partners Extension

The coverage afforded under this Policy will, subject to all of its terms, conditions, limitations, and exclusions, be extended to apply to **Loss** resulting from a **Claim** against a person who, at the time the **Claim** is made, is a lawful spouse or domestic partner (whether such status is derived by reason of statutory law or common law of any applicable jurisdiction in the world, or by any formal program established by the **Policyholder**) of the **Insured**, but only if: (a) the **Claim** against such spouse or domestic partner results from a **Breach** actually or allegedly committed by the **Insured**, to whom the spouse is married or who is a partner to the domestic partner; and (b) such **Insured** and his or her spouse or domestic partner are represented by the same counsel in connection with such **Claim**.

5.11 Territory

This Policy applies to:

- a. **Breaches** or any other matters which give rise to coverage under this Policy which take place anywhere in the world; and
- b. **Claims** brought against the **Insured** anywhere in the world.

However, where a different Territory and Jurisdiction is noted in item 8 and item 9 of the **Schedule**, the **Schedule** shall prevail

5.12 Authorisation

Except as otherwise specifically provided under any other provision of this Policy, the **Policyholder** will act on behalf of all other **Insureds** with respect to all matters under this Policy including the receiving any notices and return premiums from the **Insurer**.

5.13 Changes

Notice to any agent or knowledge possessed by any agent or other person acting on behalf of the **Insurer** will not effect a waiver or change in any part of this Policy or stop the **Insurer** from asserting any right under the terms, conditions, and limitations of this Policy. The terms, conditions, and limitations of this Policy can be waived or changed only by written endorsement issued by the **Insurer**.

5.14 Several Liability

5.14.1 The liability of the **Insurer** under this Policy is several and not joint with other insurers

party to this Policy. Any insurer is liable only for the proportion of liability it has underwritten. The **Insurer** and any insurers are not jointly liable for the proportion of liability underwritten by any other insurer; nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this Policy.

- 5.14.2 The proportion of liability under this Policy underwritten by an any insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.
- 5.14.3 In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion; nor is any member otherwise responsible for any liability of any other insurer that may underwrite this Policy. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.
- 5.14.4 Although reference is made at various points in this clause to "this Policy" in the singular, where the circumstances so require this should be read as a reference to Policies in the plural.

5.15 Governing Law

This **Policy** is governed by and will be construed in accordance with the law of the Commonwealth of Australia and the State or Territory in which the **Policy** was issued by the **Insurer**. The **Insured** and **Insurer** agree the courts of the Australian State or Territory where the **Policy** was issued will have exclusive jurisdiction in relation to all matters arising under or in connection with this **Policy**.

5.16 Assignment

This Policy and any and all rights hereunder are not assignable without the prior written consent of the **Insurer**.

5.17 Entire Agreement

The **Insured** agrees that this Policy, the **Schedule** and the **Proposal** and any endorsements, constitutes the entire agreement between them and the **Insurer** or any of their agents relating to this insurance.

5.18 Headings

The descriptions in the headings and sub-headings of this Policy are solely for convenience, and form no part of the terms and conditions of coverage.

2. Pending attribution by the government of the **State** (including its intelligence and security services) in which the **Computer System** affected by the **Cyber Operation** is physically located, the **Insurer** may rely upon an inference which is objectively reasonable as to attribution of the **Cyber Operation** to another **State** or those acting on its behalf.
