

## CLEAR Health Pass

As part of our commitment to the safety of guests, staff and artists, all attendees must provide proof of full vaccination before attending a New York City Ballet performance.

- New York City Ballet has partnered with **Health Pass by CLEAR**, which provides a secure, digital proof of COVID-related health insights via free mobile app. Complete your health screening with **Health Pass by CLEAR** ahead of time in order to access the fast lanes and avoid long lines!

Download and enroll here: <https://clear.app.link/NYCBallet>

- In addition to Health Pass, we will also accept NY State's Excelsior Pass (for more details, visit: <https://epass.ny.gov>), physical vaccination cards or a photo of vaccination cards on a smartphone, both accompanied by a photo ID.
- For the most efficient entry possible, every attendee should enroll with CLEAR before the event to complete their COVID-19 pre-screening. Once your vaccination record has been uploaded to the platform, it can typically take up to 30 minutes for your status to be verified. We encourage all attendees to complete this process at least 24 hours before the event.
