NEW YORK CITY BALLET
2022 FALL FASHION GALA

CELEBRATING THE
10th
ANNIVERSARY

WEDNESDAY, SEPTEMBER 28
We invite you to join us for this special 10th Anniversary Celebration of the Fall Fashion Gala. Since its inception in 2012, this beloved event has paired acclaimed choreographers with some of the fashion world’s most exciting talents and, in the process, has led to the creation of nearly 30 ballets that have reinvigorated the artform.

This special evening will showcase the intersection of fashion and ballet with world premieres by Gianna Reisen, featuring costumes designed by Alejandro Gómez Palomo, and Kyle Abraham, with costumes designed by Giles Deacon. The Gala program will also include the first live performance of Justin Peck’s Solo, set to music by Samuel Barber and including a new costume designed by Raf Simons, and an excerpt from George Balanchine’s dazzling Symphony in C.

In addition to this year’s choreographer and couturier pairings, Grammy Award-winning singer, songwriter, and visual artist, Solange Knowles will create a commissioned score for Gianna Reisen’s world premiere.

At this year’s event we will honor New York City Ballet Vice Chair Sarah Jessica Parker for her vision and leadership of the Fall Fashion Gala and celebrate a decade of Fall Fashion Gala choreographers and designers whose designs have been created in-house in collaboration with the New York City Ballet Costume Shop and NYCB’s Director of Costumes Marc Happel.
